Notice - Regulatory Review and Evaluation:

In accordance with the Regulatory Review and Evaluation Act (RREA), State Government Article, §§10-130—10-139, the Department is required to review any current regulation that has not been newly adopted or comprehensively amended in the past 8 years, or that is not federally mandated.

The Board of Physicians (the "Board") is responsible for the COMAR subtitles listed below that are scheduled for RREA review this year. These regulations are being posted to invite public comment on the current regulations. Specifically, stakeholders are invited to review the regulations, provide comments and feedback that ensure the regulations are necessary, supported by statutory authority and judicial opinion, or are not otherwise obsolete or in need of amendments.

This posting is to assist the Board in identifying interested stakeholders and to ensure participation in the review process.
