Public Stakeholder Meeting – Investigative Interviews

The Maryland Board of Physicians (the "Board") is considering regulatory changes to COMAR 10.32.02.02 and 10.32.02.03. These changes would define investigative interviews and establish guidelines for representation by counsel during these interviews.

The Board is convening a public stakeholder meeting to discuss these proposed changes and to solicit feedback from interested parties. This meeting will take place on **Monday, September 12, 2022** at **9 AM**. The meeting will be held via Zoom.

Additional details will be posted in the coming month. If you are interested in participating in this meeting, please email Brittany Winborne at brittany.winborne@maryland.gov.
