On December 13, 2011, the Board summarily suspended the medical license of Brent R. Fox, M.D. (“Dr. Fox”) under Md. Code Ann., 10-226(c)(2) on the ground that the public health, welfare or safety imperatively required that emergency action. Pursuant to the Board’s regulations at COMAR 10.32.02.05 D, a quorum of the Board held a post-deprivation hearing on December 21, 2011. Dr. Fox was present and represented by his counsel, Elliott A. Alman, Esq. The interests of the State were represented by Janet Klein Brown, Esq., the Administrative Prosecutor.

Having heard and considered the evidence and arguments of the parties, the Board under the authority of COMAR 10.32.02.05 H (4) hereby **ORDERS** that its previous **ORDER FOR SUMMARY SUSPENSION OF LICENSE TO PRACTICE MEDICINE** issued on December 13, 2011 is **STAYED** as long as Dr. Fox complies with the following conditions:

- (1) Dr. Fox shall not prescribe any Controlled Dangerous Substances as defined in Maryland statute and regulations;**

- (2) Dr. Fox may continue to practice interventional pain management related only to the performance of percutaneous procedures but excluding oral or intravenous medical pain management; and
- (3) The stay is further conditioned on Dr. Fox's cooperation with any reasonable efforts of the Board to determine if the conditions are being met.

So **ORDERED** this 22nd day of December 2011.
