Re: Michael Freedman, M.D.  
Case No.: 2011-0814  
License No.: D52245

Dear Dr. Freedman and Counsel:

On November 15, 2012, the Board issued an **ORDER FOR SUMMARY SUSPENSION OF LICENSE TO PRACTICE MEDICINE** in this case. Dr. Freedman was given an opportunity to attend a hearing to show cause why that suspension should not be continued on November 28, 2012. Dr. Freedman attended the hearing on that date together with his counsel, H. Kenneth Armstrong, Esq. The State was represented by Robert J. Gilbert, Assistant Attorney General, Administrative Prosecutor. Both parties presented extensive oral arguments at the show cause hearing.

After considering these arguments at the hearing and the investigative file, the Board determined that it would continue the summary suspension imposed on November 15, 2012. The Board thus will not lift the summary suspension order. The arguments submitted, together with Dr. Freedman's presentation and responses to the Board's questions, when considered in the light of the investigative findings in the file, persuade the Board there exists a substantial risk of serious harm to the public health, safety or welfare in Dr. Freedman's continued practice. The Board, through its counsel, advised Dr. Freedman of this decision orally on the hearing date.

## NOTICE OF RIGHT TO APPEAL

Under the Board regulations, Dr. Freedman has the right to request a full evidentiary hearing before an Administrative Law Judge. This request will be granted if the Board receives a written request for the hearing within ten days of the date of this letter. Any request for a hearing should be sent to Christine Farrelly, Deputy Director, Licensure and Compliance, at the Board's address. If you request such a hearing, the regulations require that an Administrative Law Judge set the hearing to begin within 30 days of your request, *see* COMAR 10.32.02.05 I, though you may waive that 30-day requirement.

This letter constitutes an order of the Board resulting from formal disciplinary action and is therefore a public document.

Sincerely yours,

A handwritten signature in black ink, appearing to read "Andrea Mathias".

Andrea Mathias, M.D., Chair  
Maryland Board of Physicians
