Re: Robert Chou, M.D.
Case Nos.: 2013-0131 and 2013-0184
License No.: D67040

Dear Dr. Chou and Ms. Sarah Marquardt:

On November 16, 2012, the Board issued an **ORDER FOR SUMMARY SUSPENSION OF LICENSE TO PRACTICE MEDICINE** in this case. Dr. Chou was given an opportunity to attend a hearing to show cause why that suspension should not be continued on November 28, 2012. Dr. Chou attended the hearing on that date together with his counsel, Ms. Sarah Marquardt, Esquire. The State was represented by Robert J. Gilbert, Assistant Attorney General, Administrative Prosecutor. Both parties presented extensive oral arguments at the show cause hearing.

After considering these arguments at the hearing and the investigative file, the Board determined that it would continue the summary suspension imposed on November 16, 2012. The Board thus will not lift the summary suspension order. The arguments submitted, together with Dr. Chou's presentation and responses to the Board's questions, when considered in the light of the investigative findings in the file, persuade the Board there exists a substantial risk of serious harm to the public health, safety or welfare in Dr. Chou's continued practice. The Board, through its counsel, advised Dr. Chou of this decision orally on the hearing date.
