JAMIERE Y. SMITH, M.D. * **STATE BOARD OF**
APPLICANT * **PHYSICIANS**
* **Case Number: 2226-0102**

CONSENT ORDER

PROCEDURAL BACKGROUND

Based on information received regarding the Application for Reinstatement of Medical Licensure (the “Application”) of Jamiere Y. Smith, M.D., (the “Applicant”) to practice medicine in Maryland, Disciplinary Panel A (“Panel A”) of the Maryland State Board of Physicians (the “Maryland Board”) has grounds to deny the Application under the Maryland Medical Practice Act (the “Act”), Md. Code Ann., Health Occ. §14-101 et seq. Prior to the issuance of a Notice of Intent to Deny Application for Initial Medical Licensure, the Applicant agreed to enter into, with the Maryland Board, this public Consent Order, which consists of Procedural Background, Findings of Fact, Conclusions of Law, Order and Consent.

Specifically, Panel A has grounds to deny the Application pursuant to the following provisions of the Act:

Health Occ. §14-205. Miscellaneous powers and duties.

(b) Additional powers.

(3) Subject to the Administrative Procedure Act and the hearing provisions of §14-405 of this title, a disciplinary panel may deny a license to an applicant ... for:

(i) Any of the reasons that are grounds for disciplinary action under §14-404 of this title[.]

Health Occ. §14-404. Denials, reprimands, suspensions and revocations – Grounds.

(a) Subject to the hearing provisions of §14-405 of the subtitle, a disciplinary panel, on the affirmative vote of a majority of the quorum of the disciplinary panel, may reprimand any licensee, place any licensee on probation or suspend or revoke the license if the licensee:

(21) Is disciplined by a licensing or disciplinary authority or convicted or disciplined by a court of any state or country or disciplined by any branch of the United States uniformed services or the Veteran's Administration for an act that would be grounds for disciplinary action under this section;

Grounds for disciplinary action under Health Occ. §14-404(a)(21) include:

(22) Fails to meet appropriate standards as determined by appropriate peer review for the delivery of quality medical and surgical care performed in an outpatient surgical facility, office, hospital, or in any other location in this State[.]

FINDINGS OF FACT

Panel A makes the following findings of fact:

1. On or about November 9, 2025, the Applicant filed with the Maryland Board an Application to reinstate her medical licensure in Maryland.
2. The Application contained a series of character and fitness questions, to which the Applicant was required to answer “YES” or “NO.” The Applicant responded “YES” to the following character and fitness questions:

“2. Has a state licensing or disciplinary board (including Maryland), a comparable body in the armed services, or the Veterans Administration, ever taken action against your license? Such actions include, but are not limited to, limitations of practice, required education admonishment or reprimand, suspension, probation or revocation.

3. Has any licensing or disciplinary board in any jurisdiction (including Maryland), a comparable body in the armed services, or the Veterans Administration, ever filed any complaints or charges against you or investigated you for any reason.”

3. During its review of the Application, the Board received the following information about the Applicant:

- a) On October 8, 2025, the Illinois Department of Financial and Professional Regulation (the “Illinois Board”) issued a Consent Order against the Applicant for failing “to properly manage labor and delivery resulting in injury to the mother and the newborn’s demise.”
- b) The Applicant was placed on indefinite probation for a minimum of two (2) years, and was subject to terms and conditions that included obtaining a practice monitor, submitting proof of her completion of CME hours, and a prohibition on practicing independently.

CONCLUSIONS OF LAW

Based on the foregoing Findings of Fact, Disciplinary Panel A concludes as a matter of law that the disciplinary action taken by the Illinois Board against the Applicant was for an act or acts that, if committed in Maryland, would be grounds for disciplinary action under Health Occ. §14-404(a)(22) (fails to meet appropriate standards as determined by appropriate peer review for the delivery of quality medical and surgical care performed in an outpatient surgical facility, office, hospital, or any other location in this State), and would thus subject her to discipline under the reciprocal discipline provisions of Health Occ. § 14-404(a)(21). See Health Occ. § 14-205(b)(3)(i).

It is, thus, by Panel A, hereby:

I, Jamiere Y. Smith, M.D., have chosen to proceed without legal counsel, and I acknowledge that the decision to proceed without legal counsel is freely and voluntarily made.

By this Consent, I agree to be bound by this Consent Order and all its terms and conditions and understand that the disciplinary panel will not entertain any request for amendments or modifications to any condition.

Code Ann., State Gov't §§10-201 et seq. I waive this right and have elected to sign this Consent Order instead.

I waive those procedural and substantive protections. I acknowledge the legal authority and the jurisdiction of the disciplinary panel to initiate these proceedings and to issue and enforce this Consent Order.
