ORDER TERMINATING PROBATION

On June 8, 2021, Disciplinary Panel A (the "Panel") of the Maryland State Board of Physicians (the "Board") and Wendol A. Williams, III, M.D., entered into a Consent Order, wherein the Panel concluded, as a matter of law, that Dr. Williams engaged in unprofessional conduct in the practice of medicine, in violation of Health Occ. § 14-404(a)(3)(ii); and engaged in sexual misconduct, in violation of a regulation adopted by the Board, specifically COMAR 10.32.17.03, which thus also violated Health Occ. § 14-404(a)(43).[1]

Pursuant to the Consent Order, the Panel granted Dr. Williams' Application for Reinstatement of Medical License with a reprimand and placed him on probation for a minimum period of five (5) years with terms and conditions, including enrollment in the Maryland Professional Rehabilitation Program and compliance with all of its rules, referrals, and requirements. Additionally, the Consent Order permanently prohibited him from treating, evaluating, and meeting with any female patient individually or one-one-one, which included telemedicine.

Dr. Williams has fully and satisfactorily complied with all of the terms and conditions of probation imposed by the June 8, 2021 Consent Order and five (5) years have passed.

It is thus, by the Panel, hereby
