On September 25, 2024, Disciplinary Panel B (the "Panel") of the Maryland State Board of Physicians (the "Board") and Vijayalakshmi Reddy, M.D., entered into a Consent Order, wherein the Panel concluded, as a matter of law, that Dr. Reddy failed to meet appropriate standards as determined by appropriate peer review for the delivery of quality medical and surgical care performed in an outpatient surgical facility, office, hospital, or other location in this State, in violation of Health Occ. § 14-404(a)(22); and failed to keep adequate medical records as determined by appropriate peer review, in violation of Health Occ. § 14-404(a)(40).[1]

Pursuant to the Consent Order, Dr. Reddy was reprimanded and placed on probation for a minimum period of two (2) years with probationary terms and conditions, including being subject to supervision for a minimum period of one (1) year by a disciplinary panel-approved supervisor who is board-certified in internal medicine, successfully completing a course in medical documentation within six (6) months, and paying a civil fine of five thousand dollars ($5,000.00) within one (1) year. Additionally, the Consent Order permanently prohibited her from prescribing and dispensing Schedule II and Schedule III Controlled Dangerous Substances.

Dr. Reddy has fully and satisfactorily complied with all of the terms and conditions of probation imposed by the September 25, 2024 Consent Order and two (2) years have passed.
