**CONSENT ORDER**

Disciplinary Panel A (“Panel A”) of the Maryland State Board of Physicians (the “Board”) and the Respondent, Richard O. Akoto, M.D., agree to enter into this Consent Order, before charges have been issued, in order to resolve this matter which concerns the Respondent’s continued prescribing of controlled dangerous substances (“CDS”) after his registration with the Office of Controlled Substances Administration (“OCSA”) had expired.

The pertinent provisions of the Maryland Medical Practice Act (the “Act”):

**Health Occ. § 14-404. Denials, reprimands, probations, suspensions, and revocations-  
Grounds.**

(a) Subject to the hearing provisions of § 14-405 of this subtitle, a disciplinary panel, on the affirmative vote of a majority of the quorum of the disciplinary panel, may reprimand any licensee, place any licensee on probation, or suspend or revoke a license if the licensee:

....

(43) Except for the licensure process described under Subtitle 3A of this title, violates any provision of this title, any rule or regulation adopted by the Board, or any State or federal law pertaining to the practice of medicine[.]

With respect to Health Occ. § 14-404(a)(43), the pertinent law is the following:

**Criminal Law Title 5**

....

§ 5-101. Definitions.

....

- (y) “Registrant” means a person who is registered by the Department to manufacture, distribute, or dispense a controlled dangerous substance in the State.

§ 5-301. Registration Required.

- (a)(1) Except as otherwise provided in this section, a person shall be registered by the Department before the person manufactures, distributes, or dispenses a controlled dangerous substance in the State or transports a controlled dangerous substance into the State.

In lieu of Panel A issuing charges, the Respondent and Panel A agreed to enter into this public Consent Order, consisting of Findings of Fact, Conclusions of Law, and Order.

**FINDINGS OF FACT**

Panel A makes the following findings of fact:

1. The Respondent was originally licensed by the Board to practice medicine in Maryland on May 7, 2002, under License Number D58683. The Respondent’s license expires on September 30, 2026, subject to renewal.
2. The Respondent was originally issued a CDS Registration to prescribe CDS in Maryland on June 1, 2024.
3. On November 6, 2025, OCSA notified the Board that the Respondent’s CDS Registration expired on April 30, 2025, and the Respondent continued to prescribe CDS on an expired registration.
4. After his CDS Registration expired on April 30, 2025, the Respondent continued to prescribe CDS from May 1, 2025 to September 28, 2025, and issued approximately 144 CDS prescriptions in this time period.
5. On December 9, 2025, based on the above information, the Board notified the Respondent that it had opened an investigation and requested a written response.

6. In his written response to the Board, the Respondent stated that he had not realized that his CDS Registration with OCSA expired, and immediately renewed his registration when he was made aware.
7. The Respondent's CDS Registration with OCSA was reinstated on or about November 17, 2025.
8. The Respondent, thus, prescribed CDS without an OCSA CDS Registration from May 1, 2025 to September 28, 2025.

### **CONCLUSIONS OF LAW**

Based upon the foregoing Findings of Fact, Panel A concludes that the Respondent prescribed CDS with an expired CDS registration from OCSA, in violation of Md. Code Ann., Health Occ. § 14-404(a)(43) in violation of Criminal Law § 5-301(a)(1).

### **ORDER**

It is, thus, by Panel A, hereby:
