**CONSENT ORDER**

**PROCEDURAL BACKGROUND**

The Maryland Board of Physicians (the “Maryland Board”) received information that Abbas Chamsuddin, M.D., (the “Respondent”) License Number D0068864, was disciplined by the Colorado Department of Regulatory Agencies (the “Colorado Board”). In a Letter of Admonition dated December 18, 2025, the Colorado Board disciplined the Respondent based upon disciplinary action taken by the Texas Medical Board (the “Texas Board”) on December 12, 2025, wherein the Texas Board required the Respondent to complete at least 8 hours of continuing medical education courses on the topics of procedural radiology and risk management, along with other terms and conditions.

Based on the above referenced Colorado sanction, the Maryland Board has grounds to charge the Respondent with violating the following provisions of the Maryland Medical Practice Act (the “Act”), under H. O. § 14-404(a):

- (a) Subject to the hearing provisions of § 14-405 of this subtitle, a disciplinary panel, on the affirmative vote of a majority of the quorum of the disciplinary panel, may reprimand any licensee, place any licensee on probation, or suspend or revoke a license if the licensee:
  - (21) Is disciplined by a licensing or disciplinary authority or convicted or disciplined by a court of any state or country or disciplined by any branch of

the United States uniformed services or the  
Veteran's Administration for an act that would be  
grounds for disciplinary action under this section,

Disciplinary Panel A ("Panel A") has determined that the acts for which the  
Respondent was disciplined in Colorado would be grounds for disciplinary action under  
H.O. § 14-404(a). The grounds for disciplinary action under H.O. § 14-404(a) are as  
follows:

- (3) Is guilty of:
  - (ii) Unprofessional conduct in the practice of medicine[.]

Based on the action taken by the Colorado Board, the Respondent agrees to enter  
into this Consent Order with Panel A, consisting of Procedural Background, Findings of  
Fact, Conclusions of Law, Order and Consent.

#### **FINDINGS OF FACT**

Panel A makes the following findings of fact:

1. At all times relevant hereto, the Respondent is a physician licensed to  
practice medicine in the State of Maryland. The Respondent was initially licensed in  
Maryland on or about March 19, 2009.
2. In its Agreed Order, the Texas Board found that the Respondent had  
violated Texas Code 190.8(1)(A), (B), (C), (D), and (G) based on his interpretation of a  
patient's examination.
3. Specifically, on or about June 19, 2022, the Respondent did an  
interpretation of an exam in order to evaluate the positioning of a feeding tube. The  
Respondent incorrectly identified that the feeding tube had been positioned in the

patient's stomach when it had actually perforated their chest. As a result, the patient developed sepsis and later passed away.

4. By Agreed Order dated December 12, 2025, the Texas Board disciplined the Respondent by requiring him to complete at least 8 hours of continuing medical education courses in the topics of procedural radiology and risk management, along with other terms and conditions.

5. Based on the discipline by the Texas Board, on December 18, 2025, the Colorado Board issued a Letter of Admonition to the Respondent, finding that the Respondent committed unprofessional conduct, in violation of section 12-240-121(1)(j) of the Colorado Revised Statutes.

6. On February 20, 2026, the Kentucky Board of Medical Licensure issued an Agreed Order imposing a \$1,000.00 fine and requiring the Respondent to provide documentation of completion for the 8 hours of continuing medical education.

A copy of the Colorado Letter of Admonition is attached hereto.

### **CONCLUSIONS OF LAW**

Based on the foregoing Findings of Fact, Panel A concludes as a matter of law that the Respondent is subject to discipline under Health Occ. §14-404(a)(21) for the disciplinary action taken by the Colorado Board against the Respondent for an act or acts that would be grounds for disciplinary action under Health Occ. §14-404(a)(3)(ii).

### **ORDER**

It is, thus, by Panel A, hereby:

**ORDERED** that the Respondent is hereby **REPRIMANDED**; and it is further

**ORDERED** that this Consent Order shall not be amended or modified and future requests for modification will not be considered; and it is further

**ORDERED** that the effective date of the Consent Order is the date the Consent Order is signed by the Executive Director of the Board or her designee. The Executive Director or her designee signs the Consent Order on behalf of the disciplinary panel which has imposed the terms and conditions of this Consent Order; and it is further

**ORDERED** that this Consent Order is a public document. *See* Health Occ. §§1-607, 14-411.1(b)(2) and Gen. Prov. §4-333(b)(6).
