CONSENT ORDER

PROCEDURAL BACKGROUND

The Maryland Board of Physicians (the “Maryland Board”) received information that Ernest G. Brown, M.D., (the “Respondent”) License Number D0072913, was disciplined by the Colorado Medical Board (the “Colorado Board”). On October 10, 2025, the Colorado Board issued a Cease and Desist Order (the “Order”) against the Respondent for the unlicensed practice of medicine.

Based on the above-referenced Colorado Board sanction, the Maryland Board has grounds to charge the Respondent with violating the following provisions of the Maryland Medical Practice Act (the “Act”), under H. O. § 14-404(a):

- (a) Subject to the hearing provisions of § 14-405 of this subtitle, a disciplinary panel, on the affirmative vote of a majority of the quorum of the disciplinary panel, may reprimand any licensee, place any licensee on probation, or suspend or revoke a license if the licensee:
 - (21) Is disciplined by a licensing or disciplinary authority or convicted or disciplined by a court of any state or country or disciplined by any branch of the United States uniformed services or the Veteran’s Administration for an act that would be grounds for disciplinary action under this section,

Disciplinary Panel B (“Panel B”) has determined that the acts for which the Respondent was disciplined in Colorado would be grounds for disciplinary action under

H.O. § 14-404(a). The grounds for disciplinary action under H.O. § 14-404(a) are as follows:

- (43) Except for the licensure process described under Subtitle 3A of this title, violates any provision of this title, any rule or regulation adopted by the Board, or any State or federal law pertaining to the practice of medicine[.]

With respect to Health Occ. § 14-404(a)(43), the pertinent Colorado Statutes are the following:

Colorado Revised Statutes

....

12-240-107. Practice of medicine defined - exemptions from licensing requirements - unauthorized practice by physician assistants and anesthesiologist assistants - penalties - definitions – rules.

....

- (2) If a person who does not possess and has not filed a license to practice medicine, practice as a physician assistant, or practice as an anesthesiologist assistant in this state, as provided in this article 240, and who is not exempted from the licensing requirements under this article 240, performs any of the acts that constitute the practice of medicine as defined in this section, the person shall be deemed to be practicing medicine, practicing as a physician assistant, or practicing as an anesthesiologist assistant in violation of this article 240.

12-240-135. Unauthorized practice - penalties - injunctive relief.

- (1) Any person who practices or offers or attempts to practice medicine, practice as a physician assistant, or practice as an anesthesiologist assistant within this state without an active license issued under this article 240 is subject to penalties pursuant to section 12-20-407 (1)(a).

Based on the action taken by the Colorado Board, the Respondent agrees to enter into this Consent Order with Panel B, consisting of Procedural Background, Findings of Fact, Conclusions of Law, Order and Consent.

FINDINGS OF FACT

Panel B makes the following findings of fact:

1. At all times relevant hereto, the Respondent was a physician licensed to practice medicine in the State of Maryland. The Respondent was initially licensed in Maryland on or about August 11, 2011.
2. In the Order dated October 10, 2025, the Colorado Board found that the Respondent traveled to Colorado to treat a patient from about June 6, 2024, to October 3, 2024, without a Colorado medical license.
3. The Respondent “conducted physical evaluations ... ordered and monitored labs, screenings, esophagogastroduodenoscopy, and colonoscopy” and prescribed “amlodipine, insulin, mirtazapine, quetiapine, freestyle libre CGM indication, chlorthalidone, propranolol, ondansetron, and chelation therapy.”
4. The Respondent coordinated with the patient’s family and directed the patient’s care, “including home nursing [and] safety triage.”
5. On October 10, 2025, the Colorado Board issued a Cease and Desist Order against the Respondent for the unlicensed practice of medicine. A copy of the Colorado Order is attached hereto.

CONCLUSIONS OF LAW

Based on the foregoing Findings of Fact, Panel B concludes as a matter of law that the Respondent is subject to discipline under Health Occ. § 14-404(a)(21) for the disciplinary action taken by the Colorado Board against the Respondent for an act or acts that would be grounds for disciplinary action under Health Occ. §14-404(a)(43) in violation of Colorado Sections 12-240-107(2) and 12-240-135.
