FINAL ORDER

PROCEDURAL BACKGROUND

The Maryland Board of Physicians (the “Maryland Board”) received information that Nairobi D. Martindale, D.O. (the “Respondent”), Maryland License Number H0095581, a physician licensed to practice medicine in Maryland via the Interstate Medical Licensure Compact (the “Compact”), was disciplined by the Michigan Board of Osteopathic Medicine and Surgery (the “Michigan Board”). In a Consent Order (the “Order”), dated May 4, 2026, the Michigan Board placed the Respondent’s medical license on probation for a maximum of one year until the Respondent has paid a fine of \$9,000.00 and completed 150 hours of continuing education. A copy of the Michigan Board Order is attached hereto.

Based on the above-mentioned Michigan Board sanction, the Maryland Board is authorized to discipline the Respondent, pursuant to Health Occ. §14-3A-01, Section 10.

Health Occ. §14-3A-01, Interstate Medical Licensure Compact, Section 10 Disciplinary Actions provides:

- (a) Any disciplinary action taken by any member board against a physician licensed through the Compact shall be deemed unprofessional conduct that may be subject to discipline by other member boards, in addition to any violation of the Medical Practice Act or regulations in that state.

....

(c) If disciplinary action is taken against a physician by a member board not in the state of principal license, any other member board may deem the action conclusive as to matter of law and fact decided; and

(1) Impose the same or lesser sanction(s) against the physician so long as such sanctions are consistent with the Medical Practice Act of that state.]

Maryland Board Disciplinary Panel A (“Panel A”) has determined that the acts for which the Respondent was disciplined in Michigan would be grounds for disciplinary action under H.O. §14-404(a)(3)(ii), (11), and (36), and is further deemed unprofessional conduct under Health Occ. 14-3A-01, Section 10(a).

FINDINGS OF FACT

Under Health Occ. § 14-3A-01 Section 10(c), a compact member board may deem the facts in any disciplinary action taken against a physician by a member board to be conclusive as a matter of fact decided. Accordingly, Panel A makes the following findings of fact:

1. The Respondent was licensed to practice medicine in the State of Maryland on or about September 19, 2022, under License Number H0095581.
2. The Michigan Department of Licensing and Regulatory Affairs audited the Respondent’s continuing education requirements and, on February 24, 2026, issued an administrative complaint that notified the Respondent that if he did not respond within 30 days, his lack of response would be treated as an admission.
3. By Order dated May 4, 2026, the Michigan Board placed the Respondent’s medical license on probation for a maximum of one year

until the Respondent has paid a fine of \$9,000.00 and completed 150 hours of continuing education that was deficient.

CONCLUSIONS OF LAW

Based on the foregoing Findings of Fact, based on the Michigan Board's Conclusions of Law, and based on Health Occ. §14-3A-01 Section 10(a) and (c), Panel A concludes as a matter of law that the Respondent "is guilty of [u]nprofessional conduct in the practice of medicine," "[w]illfully makes or files a false report or record in the practice of medicine," and "[w]illfully makes a false representation when seeking or making application for licensure or any other application related to the practice of medicine" in violation of Health Occ. § 14-404(a)(3)(ii), (11), and (36).

SANCTION

Pursuant to Health Occ. §14-3A-01, Interstate Medical Licensure Compact, Section 10(c)(1), the Maryland Board may impose the same or lesser sanction against the physician so long as such sanctions are consistent with the Maryland Medical Practice Act. Panel A will impose a sanction of a reprimand and place the Respondent on probation with terms and conditions.

ORDER

It is, thus, by Panel A, hereby:

ORDERED that the Respondent's medical license in the State of Maryland is **REPRIMANDED**, and it is further

ORDERED that the Respondent shall be placed on **PROBATION** until such time the Michigan Board terminates the probation imposed by the May 4, 2026, Michigan Order, and it is further

ORDERED that this Order shall not be amended or modified, and future requests for modification will not be considered by the Board or a disciplinary panel; and it is further

ORDERED that, after the Respondent has complied with all terms and conditions of probation imposed by the Order, the Respondent may submit to the Board a written petition for termination of probation. After consideration of the petition, the probation may be terminated administratively through an order of the disciplinary panel, if the Respondent has complied with all probationary terms and conditions; and it is further

ORDERED that a violation of probation constitutes a violation of the Order; and it is further

ORDERED that, if the Respondent allegedly fails to comply with any term or condition imposed by this Order, the Respondent shall be given notice and an opportunity for a hearing. If there is a genuine dispute as to a material fact, the hearing shall be before an Administrative Law Judge of the Office of Administrative Hearings followed by an exceptions process before a disciplinary panel; and if there is no genuine dispute as to a material fact, the Respondent shall be given a show cause hearing before a disciplinary panel; and it is further

ORDERED that, after the appropriate hearing, if the disciplinary panel determines that the Respondent has failed to comply with any term or condition imposed by this Order, the disciplinary panel may reprimand the Respondent, place the Respondent on probation with appropriate terms and conditions, or suspend the Respondent's license with appropriate terms and conditions, or revoke the Respondent's license to practice medicine in Maryland. The disciplinary panel may, in addition to one

or more of the sanctions set forth above, impose a civil monetary fine on the Respondent; and it is further

ORDERED that the Respondent is responsible for all costs incurred in fulfilling the terms and conditions of this Order; and it is further

ORDERED that this Order goes into effect on the date the Order is signed by the Executive Director of the Board or her designee. The Executive Director or her designee signs the Order on behalf of the disciplinary panel which has imposed the terms and conditions of this Order; and it is further

ORDERED that this Order is a public document. *See* Health Occ. §§1-607, 14-411.1(b)(2) and Gen. Prov. §4-333(b)(6).
