CONSENT ORDER

PROCEDURAL BACKGROUND

The Maryland Board of Physicians (the "Maryland Board") received information that Esther M. Roth, D.O., (the "Respondent") License Number H0098122, was disciplined by the New York State Board for Professional Medical Conduct (the "New York Board"). In a Consent Order dated May 12, 2026, the New York Board disciplined the Respondent by issuing a reprimand against her medical license and ordering her to pay a fine in the amount of \$500.00.

Based on the above referenced New York Board sanction, the Maryland Board has grounds to charge the Respondent with violating the following provisions of the Maryland Medical Practice Act (the "Act"), under H. O. § 14-404(a):

- (a) Subject to the hearing provisions of § 14-405 of this subtitle, a disciplinary panel, on the affirmative vote of a majority of the quorum of the disciplinary panel, may reprimand any licensee, place any licensee on probation, or suspend or revoke a license if the licensee:
 - (21) Is disciplined by a licensing or disciplinary authority or convicted or disciplined by a court of any state or country or disciplined by any branch of the United States uniformed services or the Veteran's Administration for an act that would be grounds for disciplinary action under this section,

Disciplinary Panel A (“Panel A”) has determined that the acts for which the Respondent was disciplined in New York would be grounds for disciplinary action under H.O. § 14-404(a). The grounds for disciplinary action under H.O. § 14-404(a) are as follows:

(3) Is guilty of:

(ii) Unprofessional conduct in the practice of medicine[.]

Based on the action taken by the New York Board, the Respondent agrees to enter into this Consent Order with Panel A, consisting of Procedural Background, Findings of Fact, Conclusions of Law, Order and Consent.

FINDINGS OF FACT

Panel A makes the following findings of fact:

1. At all times relevant hereto, the Respondent was a physician licensed to practice medicine in the State of Maryland. The Respondent was initially licensed in Maryland on or about July 7, 2023.
2. From April 2022 to June 2024, the New York Board sent “multiple correspondences” to the Respondent, reminding her to provide information required to create her New York Physician Profile.
4. The Respondent did not provide the requested information to the New York Board until March 18, 2026.
5. By Consent Order dated May 12, 2026, the New York Board disciplined the Respondent by issuing a reprimand against her medical license and ordering her to pay a fine in the amount of \$500.00.

A copy of the New York Board Order is attached hereto.

CONCLUSIONS OF LAW

Based on the foregoing Findings of Fact, Panel A concludes as a matter of law that the Respondent is subject to discipline under Health Occ. § 14-404(a)(21) for the disciplinary action taken by the New York Board against the Respondent for an act or acts that would be grounds for disciplinary action under Health Occ. §14-404(a)(3)(ii).

ORDER

It is, thus, by Panel A, hereby:

ORDERED that the Respondent's license to practice medicine in the State of Maryland be and is hereby **REPRIMANDED**; and it is further

ORDERED that this Consent Order shall not be amended or modified and future requests for modification will not be considered; and it is further,

ORDERED that the effective date of the Consent Order is the date the Consent Order is signed by the Executive Director of the Board or her designee. The Executive Director or her designee signs the Consent Order on behalf of the disciplinary panel which has imposed the terms and conditions of this Consent Order; and it is further

ORDERED that this Consent Order is a public document. *See* Health Occ. §§1-607, 14-411.1(b)(2) and Gen. Prov. §4-333(b)(6).

That Respondent shall comply with each and every penalty imposed by this Order pursuant to N.Y. Pub. Health Law § 230-a.

That Respondent shall remain in continuous compliance with all requirements of N.Y. Educ. Law § 6502 including but not limited to the requirements that a licensee shall register and continue to be registered with the New York State Education Department (except during periods of actual suspension) and that a licensee shall pay all registration fees. Respondent shall not exercise the option provided in N.Y. Educ. Law § 6502(4) to avoid registration and payment of fees. This condition shall take effect 120 days after the Consent Order's effective date and will continue so long as Respondent remains a licensee in New York State; and

That Respondent shall remain in continuous compliance with all requirements of N.Y. Pub. Health Law § 2995-a(4) and 10 NYCRR 1000.5, including but not limited to the requirements that a licensee shall: report to the Department all information required by the Department to develop a public physician profile for the licensee; continue to notify the Department of any change in profile information within 30 days of any change (or in the case of optional information, within 365 days of such change); and, in addition to such periodic reports and notification of any changes, update the licensee's profile information within six months prior to the expiration date of the licensee's registration period. This condition

shall take effect 30 days after the Order's effective date and shall continue so long as Respondent remains a licensee in New York State. Respondent's failure to comply with this condition, if proven and found at a hearing pursuant to N.Y. Pub. Health Law § 230, shall constitute professional misconduct as defined in N.Y. Educ. Law § 6530(21) and N.Y. Educ. Law § 6530(29). Potential penalties for failure to comply with this condition may include all penalties for professional misconduct set forth in N.Y. Pub. This condition shall take effect 30 days after the Order's effective date and shall continue at all times until Respondent receives written notification from the Office of Professional Medical Conduct, Physician

Monitoring Program, that OPMC has determined that Respondent has fully complied with and satisfied the requirements of the Order, regardless of tolling; and

That Respondent shall cooperate fully with the Office of Professional Medical Conduct (OPMC) in its administration and enforcement of this Consent Order and in its investigations of matters concerning Respondent. Respondent shall respond in a timely manner to all OPMC requests for written periodic verification of Respondent's compliance with this Consent Order. Respondent shall meet with a person designated by the Director of OPMC, as directed. Respondent shall respond promptly and provide all documents and information within Respondent's control, as directed. This condition shall take effect upon the Board's issuance of the Consent Order and will continue so long as Respondent remains licensed in New York State.

I stipulate that my failure to comply with any conditions of this Consent Order shall constitute misconduct as defined by N.Y. Educ. Law § 6530(29).

I agree that, if I am charged with professional misconduct in future, this Consent Agreement and Order shall be admitted into evidence in that proceeding.

I ask the Board to adopt this Consent Agreement.

I understand that if the Board does not adopt this Consent Agreement, none of its terms shall bind me or constitute an admission of any of the acts of alleged misconduct; this Consent Agreement shall not be used against me in any way and shall be kept in strict

confidence; and the Board's denial shall be without prejudice to the pending disciplinary proceeding and the Board's final determination pursuant to the N.Y. Pub. Health Law.

I agree that, if the Board adopts this Consent Agreement, the Chair of the Board shall issue a Consent Order in accordance with its terms. I agree that this Consent Order shall take effect upon its issuance by the Board, either by mailing of a copy of the Consent Order by first class mail to me at the address in this Consent Agreement, or to my attorney by certified mail, OR upon facsimile transmission to me or my attorney, whichever is first. The Consent Order, this agreement, and all attached Exhibits shall be public documents, with only patient identities or other confidential information, if any, redacted. As public documents, they may be posted on the Department's website. OPMC shall report this action to the National Practitioner Data Bank and the Federation of State Medical Boards, and any other entities that the Director of OPMC shall deem appropriate.

I stipulate that the proposed sanction and Consent Order are authorized by N.Y. Pub. Health Law §§ 230 and 230-a, and that the Board and OPMC have the requisite powers to carry out all included terms. I ask the Board to adopt this Consent Agreement of my own free will and not under duress, compulsion or restraint. In consideration of the value to me of the Board's adoption of this Consent Agreement, allowing me to resolve this matter without the various risks and burdens of a hearing on the merits, I knowingly waive my right to contest the Consent Order for which I apply, whether administratively or judicially. I agree to be bound by the Consent Order, and I ask that the Board adopt this Consent Agreement.

I understand and agree that the attorney for the Department, the Director of OPMC and the Chair of the Board each retain complete discretion either to enter into the proposed agreement and Consent Order, based upon my application, or to decline to do so. I further understand and agree that no prior or separate written or oral communication can limit that discretion.
