ORDER

On June 11, 2015, Disciplinary Panel B (“Panel B”) of the Maryland State Board of Physicians (the “Board”) summarily suspended the physician assistant license of Jennifer S. Cecil, PA-C. On June 25, 2015, the summary suspension was upheld.

On September 10, 2015, Ms. Cecil entered into a Consent Order with Panel B that concluded, as a matter of law, that she had fraudulently or deceptively obtained or attempted to obtain a license for herself or another, was guilty of unprofessional conduct in the practice of medicine, willfully made or filed a false report or record in the practice of medicine, sold prescribed, gave away, or administered drugs for illegal or illegitimate purposes, and willfully made a false representation when seeking or making application for licensure or any other application related to the practice of medicine. The Consent Order terminated the summary suspension, suspended the Respondent’s license for a minimum of 18 months retroactive to June 11, 2015, and required that she comply with certain terms and conditions.

On July 7, 2016, Panel B issued an Order After Show Cause Hearing that revoked the Respondent’s license to practice as a physician assistant based on her failure to comply with the terms and conditions of the September 10, 2015 Consent Order.

On October 7, 2021, Panel B issued an Order of Reinstatement¹ reinstating the Respondent's physician assistant license that placed her on probation until she complies with certain terms and conditions.

The Respondent has complied with all of the terms and conditions of probation; It is thus hereby;

ORDERED that the probation imposed by the October 7, 2021 Order of Reinstatement is **TERMINATED**; and it is further

ORDERED that this is a public document.
