ORDER FOR SUMMARY SUSPENSION OF LICENSE **TO PRACTICE MEDICINE**

Disciplinary Panel B (“Panel B”) of the Maryland State Board of Physicians (the “Board”) hereby **SUMMARILY SUSPENDS** the license of **KIOUMARCE YAZDANI, M.D.** (the “Respondent”), License Number D17168, to practice medicine in the State of Maryland.

INVESTIGATIVE FINDINGS

Based on information received by, and made known to Panel B, and the investigatory information obtained by, received by, and made known to and available to Panel B, including the instances described below, Panel B has reason to believe that the following facts are true¹:

Panel B is summarily suspending the Respondent's license to practice medicine after a Board investigation determined that the Respondent has a health condition that creates a substantial likelihood of a risk of serious harm to the public health, safety and welfare, and otherwise affect his ability to practice medicine safely.

Background/Licensing Information

1. The Respondent was initially licensed to practice medicine in Maryland on August 8, 1974, under license number D17168. His license is currently active through September 30, 2027, subject to renewal.

2. The Respondent maintains a private practice in Huntingtown, Maryland.

3. On February 28, 2025, the Board received a complaint (the "Complaint") alleging that the Respondent may have a health condition that affects his ability to practice medicine safely.

4. Specifically, the complainant received a handwritten prescription from the Respondent for "Tylenol with Codeine 325-5mg," which does "not correspond to any formulations of acetaminophen with codeine." When contacted regarding this prescription, the Respondent "was confused about the med[icine] he was prescribing."

The Board Investigation

5. On April 7, 2025, the Board notified the Respondent of the Complaint and investigation and issued subpoenas for the Respondent's medical records.

a complete description of the evidence, either documentary or testimonial, to be offered against the Respondent in connection with this matter.

6. A review of the Respondent's medical records created additional concerns about the Respondent's ability to practice medicine safely.

7. Based on information contained in the Complaint and information contained in the Respondent's medical records, the Board directed the Respondent to appear on August 4, 2025, for an intake evaluation with the Maryland Professional Rehabilitation Program ("MPRP").²

8. Based on the intake evaluation, MPRP staff had significant concerns about the Respondent's ability to practice medicine safely. Due to these concerns, MPRP staff asked the Respondent to sign a voluntary cessation agreement and schedule an evaluation.

9. On August 13, 2025, the Respondent signed a Voluntary Practice Cessation Agreement pursuant to the recommendation by MPRP whereby he agreed to cease the practice of medicine immediately and until the MPRP informed him in writing that he may return.

10. On August 28, 2025, the Respondent appeared for the evaluation. The evaluator opined that the Respondent is experiencing significant impairment from his health condition. The evaluator also opined that the extent of the Respondent's health condition "preclude[s] his ability to independently practice clinical medicine."³

² The Maryland Medical Practice Act (the "Act"), Md. Code Ann., Health Occupations § 14-402(a), authorizes the Board to direct any licensed physician regulated by the Board...to submit to an appropriate evaluation.

³ For privacy reasons, the specific information contained in the evaluation will not be disclosed in this document. This information will be disclosed to the Respondent upon request. The Panel reviewed this information prior to the issuance of this Order for Summary Suspension of License to Practice Medicine.

CONCLUSION OF LAW

Based upon the foregoing Investigative Findings, Panel B concludes that the public health, safety, or welfare imperatively requires emergency action, and that pursuant to State Gov't § 10-226(c)(2) and COMAR 10.32.02.08 B (7), the Respondent's license is summarily suspended.
