CONSENT ORDER

PROCEDURAL BACKGROUND

The Maryland Board of Physicians (the “Maryland Board”) received information that Stanley M. Higgins, M.D., (the “Respondent”) License Number D0076288, was disciplined by the Florida Board of Medicine (the “Florida Board”). In a Final Order dated March 3, 2025, the Florida Board disciplined the Respondent by issuing a reprimand and imposing an administrative fine against the Respondent's medical license.

Based on the above referenced Florida Board sanction, the Maryland Board has grounds to charge the Respondent with violating the following provisions of the Maryland Medical Practice Act (the “Act”), under H. O. § 14-404(a):

- (a) Subject to the hearing provisions of § 14-405 of this subtitle, a disciplinary panel, on the affirmative vote of a majority of the quorum of the disciplinary panel, may reprimand any licensee, place any licensee on probation, or suspend or revoke a license if the licensee:
 - (21) Is disciplined by a licensing or disciplinary authority or convicted or disciplined by a court of any state or country or disciplined by any branch of the United States uniformed services or the Veteran’s Administration for an act that would be grounds for disciplinary action under this section,

Disciplinary Panel B (“Panel B”) has determined that the acts for which the Respondent was disciplined in Florida would be grounds for disciplinary action under

H.O. § 14-404(a). The grounds for disciplinary action under H.O. § 14-404(a) are as follows:

- (22) Fails to meet appropriate peer review for the delivery of quality medical and surgical care performed in an outpatient surgical facility, office, hospital, or any other location in this State;

Based on the action taken by the Florida Board, the Respondent agrees to enter into this Consent Order with Panel B, consisting of Procedural Background, Findings of Fact, Conclusions of Law, Order and Consent.

FINDINGS OF FACT

Panel B makes the following findings of fact:

1. At all times relevant hereto, the Respondent was a physician licensed to practice medicine in the State of Maryland. The Respondent was initially licensed in Maryland on or about June 20, 2013.
2. In its Final Order, the Florida Board based its disciplinary action on a Wisconsin Medical Examining Board (“Wisconsin Board”) Final Decision and Order for Remedial Education (“Final Decision”) that was “predicated on the findings that the Respondent failed to identify multiple ankle and foot fractures on a patient’s x-rays.”
3. On or about April 22, 2015, the Respondent issued a report of a patient’s x-rays in which he found that “the three views of the [patient’s] right ankle showed no acute fracture, dislocation or radiodense foreign bodies.” However, when the patient returned to the emergency department with ankle and foot pain, a second round of x-rays interpreted by another provider “revealed multiple comminuted fractures to the patient’s ankle and foot.” In its Final Decision, the Wisconsin Board imposed terms and conditions

by requiring that the Respondent successfully complete four (4) hours of education in proper interpretation of musculoskeletal imaging.

4. By Order dated March 3, 2025, the Florida Board disciplined the Respondent by issuing a reprimand and imposing an administrative fine of \$2,500.00 against the Respondent's Medical License.

A copy of the Florida Board Final Order and Wisconsin Board Final Decision and Order is attached hereto.

CONCLUSIONS OF LAW

Based on the foregoing Findings of Fact, Panel B concludes as a matter of law that the Respondent is subject to discipline under Health Occ. § 14-404(a)(21) for the disciplinary action taken by the Florida Board against the Respondent for an act or acts that would be grounds for disciplinary action under Health Occ. §14-404(a)(22).

ORDER

It is, thus, by Panel B, hereby:

ORDERED that the Respondent is hereby **REPRIMANDED**; and it is further

ORDERED that this Consent Order shall not be amended or modified and future requests for modification will not be considered; and it is further,

ORDERED that the effective date of the Consent Order is the date the Consent Order is signed by the Executive Director of the Board or her designee. ORDERED that the Respondent is responsible for all costs incurred in fulfilling the terms and conditions of this Consent Order; and it is further

ORDERED that, if the Respondent allegedly fails to comply with any term or condition imposed by this Consent Order, the Respondent shall be given notice and an opportunity for a hearing. If the disciplinary panel determines there is a genuine dispute as to a material fact, the hearing shall be before an Administrative Law Judge of the Office of Administrative Hearings followed by an exceptions process before a disciplinary panel; and if the disciplinary panel determines there is no genuine dispute as to a material fact, the Respondent shall be given a show cause hearing before a disciplinary panel; and it is further

The disciplinary panel may, in addition to one or more of the sanctions set forth above, impose a civil monetary fine on the Respondent; and it is further
