ORDER TERMINATING PROBATION

On August 21, 2024, Disciplinary Panel A (the "Panel") of the Maryland State Board of Physicians (the "Board") and Justin D. Waltrous, M.D., entered into a Consent Order, wherein the Panel concluded, as a matter of law, that Dr. Waltrous failed to meet appropriate standards as determined by appropriate peer review for the delivery of quality medical and surgical care performed in an outpatient surgical facility, office, hospital, or other location in this State.¹ Dr. Waltrous was reprimanded and placed on probation until he successfully completed courses in (i) CDS prescribing; and (ii) medical documentation/recordkeeping.

Dr. Waltrous has fully and satisfactorily complied with all of the terms and conditions of probation imposed by the August 21, 2024 Consent Order. It is thus, by the Panel, hereby

ORDERED that the probation imposed by the August 21, 2024 Consent Order is **TERMINATED**; and it is further

ORDERED that the reprimand remains in effect; and it is further

ORDERED that this is a public document.
