ORDER

PROCEDURAL BACKGROUND

The Maryland Board of Physicians (the “Maryland Board”) received information that Louis L. Rolston-Cregler, M.D. (the “Respondent”), Maryland License Number D0090113, a physician licensed to practice medicine in Maryland via the Interstate Medical Licensure Compact (the “IMLC”), was disciplined by the New York State Board of Medicine (the “New York Board”). In its Consent Order dated September 30, 2024, the New York Board disciplined the Respondent by issuing a reprimand and censure.

Based on the above-mentioned New York Board sanction, the Maryland Board is authorized to discipline the Respondent pursuant to the following:

Health Occ. §14-3A-01, Interstate Medical Licensure Compact, Section 10 Disciplinary Actions provides:

(a) Any disciplinary action taken by any member board against a physician licensed through the Compact shall be deemed unprofessional conduct that may be subject to discipline by other member boards, in addition to any violation of the Medical Practice Act or regulations in that state.

.....

(c) If disciplinary action is taken against a physician by a member board not in the state of principal license, any other member board may deem the action conclusive as to matter of law and fact decided; and

(1) Impose the same or lesser sanction(s) against the physician so long as such sanctions are consistent with the Medical Practice Act of that state[.]

Maryland Board Disciplinary Panel A (“Panel A”) has determined that the acts for which the Respondent was disciplined in New York would be grounds for disciplinary action under H.O. § 14-404(a)(3)(ii) and (43). Pursuant to Health Occ. § 14-3A-01 Section 10(a), the grounds for disciplinary action under H.O. § 14-404(a) are as follows:

(3) (ii) Is guilty of:

Unprofessional conduct in the practice of medicine;

(43) Except for the licensure process described under Subtitle 3A of this title, violates any provisions of this title, any rule or regulation adopted by the Board, or any State or federal law pertaining to the practice of medicine.

FINDINGS OF FACT

Panel A makes the following findings of fact and deems it conclusive as a matter of fact decided pursuant to Health Occ. § 14-3A-01 Section 10(c):

1. The Respondent was licensed to practice in Maryland on or about August 4, 2020, under License Number D0090113, pursuant to the IMLC.

2. On or about November 29, 2022, the Respondent entered into a Consent Order with the West Virginia Board of Medicine (the “West Virginia Board”) after they found that he failed to complete and return his IMLC Renewal Addendum. The West Virginia Board imposed a civil fine of One Thousand Dollars (\$1,000.00) and ordered the Respondent to complete and return the IMLC Renewal Addendum.

3. On or about September 30, 2024, the Respondent entered into a Consent Order with the New York Board, which, in part, references the discipline by the West Virginia Board. The New York Board disciplined the Respondent by issuing a reprimand and censure.

A copy of the New York Board Order is attached hereto.

CONCLUSIONS OF LAW

Based on the foregoing Findings of Fact, based on the New York Board Order, and Health Occ. §14-3A-01 Section 10(a) and (c), Panel A concludes as a matter of law that the Respondent is guilty of unprofessional conduct in the practice of medicine, in violation of Health Occ. §14-404(a)(3)(ii); and [...] violates any provisions of this title, any rule or regulation adopted by the Board, or any State or federal law pertaining to the practice of medicine., in violation of Health Occ. §14-404(a)(43).
