CONSENT ORDER

PROCEDURAL BACKGROUND

The Maryland Board of Physicians (the “Maryland Board”) received information that Sinikka L. Green, M.D., (the “Respondent”) License Number D0094740, was disciplined by the Medical Board of California (the “California Board”).¹ In a Decision and Order dated October 28, 2024, the California Board disciplined the Respondent by reprimand and subjected her license to terms and conditions.

Based on the above referenced California Board sanction, the Maryland Board has grounds to charge the Respondent with violating the following provisions of the Maryland Medical Practice Act (the “Act”), under H. O. § 14-404(a):

- (a) Subject to the hearing provisions of § 14-405 of this subtitle, a disciplinary panel, on the affirmative vote of a majority of the quorum of the disciplinary panel, may reprimand any licensee, place any licensee on probation, or suspend or revoke a license if the licensee:
 - (21) Is disciplined by a licensing or disciplinary authority or convicted or disciplined by a court of any state or country or disciplined by any branch of the United States uniformed services or the Veteran’s Administration for an act that would be grounds for disciplinary action under this section,

¹ In violation of California Business and Professions Code Section 2234 and 2266.

Disciplinary Panel B ("Panel B") has determined that the acts for which the Respondent was disciplined in California would be grounds for disciplinary action under H.O. § 14-404(a)(22) and (40). The grounds for disciplinary action under H.O. § 14-404(a) are as follows:

- (22) Fails to meet appropriate standards as determined by appropriate peer review for the delivery of quality medical and surgical care in an outpatient surgical facility, office, hospital, or any other location in this State[;]
- (40) Fails to keep adequate medical records as determined by appropriate peer review[.]

Based on the action taken by the California Board, the Respondent agrees to enter into this Consent Order with Panel B, consisting of Procedural Background, Findings of Fact, Conclusions of Law, Order and Consent.

FINDINGS OF FACT

Panel B makes the following findings of fact:

1. At all times relevant hereto, the Respondent was a physician licensed to practice medicine in the State of Maryland. The Respondent was initially licensed in Maryland on or about June 10, 2022.
2. The California Board found that the Respondent, while treating a patient, failed to ask about fertility planning and/or failed to obtain the patient's informed consent regarding potential infertility that could result from testosterone replacement therapy (TRT), before or while prescribing TRT to the patient 1.
3. The Respondent also failed to perform a root cause analysis and/or recommend lifestyle changes, before resorting to Lipogenic injections.

4. The California Board also found that the Respondent failed to maintain adequate and accurate records relating to her provision of services to the patient.

5. By Decision and Order dated October 28, 2024, the California Board disciplined the Respondent by reprimand and subjected her license to terms and conditions.

A copy of the California Board Decision and Stipulated Settlement and Disciplinary Order is attached hereto.

CONCLUSIONS OF LAW

Based on the foregoing Findings of Fact, Panel B concludes as a matter of law that the Respondent is subject to discipline under Health Occ. § 14-404(a)(21) for the disciplinary action taken by the California Board against the Respondent for an act or acts that would be grounds for disciplinary action under Health Occ. §14-404(a)(22) and (40).

ORDER

It is, thus, by Panel B, hereby:
