CONSENT ORDER

In or around December 2023, the Maryland State Board of Physicians (the “Board”) initiated an investigation of **JONATHAN E. REITZENSTEIN, M.D.**, License Number D0099120, after determining that he failed to submit his Compact Supplement Application (the “Supplement Application”) within thirty (30) days of obtaining a Maryland medical license under the Interstate Medical Licensure Compact. At the conclusion of its investigation, Disciplinary Panel A (“Panel A”) of the Board determined that it had grounds to charge the Respondent with failing to comply with provisions under the Maryland Medical Practice Act (the “Act”), Md. Code Ann., Health Occ. §§ 14-101 *et seq.*

The pertinent provisions of the Act are as follows:

Health Occ. § 14-404. Denials, reprimands, probations, suspensions, and revocations—Grounds.

- (a) *In general.* – Subject to the hearing provisions of § 14-405 of this subtitle, a disciplinary panel, on the affirmative vote of a majority of the quorum of the disciplinary panel, may reprimand any licensee, place any licensee on probation, or suspend or revoke a license if the licensee:

...

- (43) Except for the licensure process described under Section 3A of this title, violates any provision of this title, any rule or

regulation adopted by the Board, or any State or federal law pertaining to the practice of medicine [.]

Health Occ. § 14-313.1. Verification by compact physician regarding licensure.

- (a) *In general.* – Within 30 days after receiving a request from the Board, a compact physician shall provide to the Board verification, on a form provided by the Board, that the compact physician satisfies the requirements for licensure under this subtitle.

Prior to the issuance of disciplinary charges, the Respondent agreed to enter into this Consent Order, consisting of Findings of Fact, Conclusions of Law, Order, and Consent.

FINDINGS OF FACT

Panel A finds the following facts:

Background/Licensing information

1. The Respondent's state of principal licensure is in Michigan. The Michigan Board of Medicine issued the Respondent a Michigan medical license on January 29, 2013, under Michigan License Number 4301102168.
2. In or around 2023, the Respondent applied for a license to practice medicine in Maryland through the Interstate Medical Licensure Compact (the "Compact").
3. On or about December 6, 2023, the Board issued the Respondent a license to practice medicine in Maryland under Maryland License Number D0099120.
4. At the time the Board issued the Respondent a license under the Compact, it notified him of his obligation to complete the Supplement Application within thirty (30)

days. The Respondent did not complete the Supplement Application within thirty (30) days, however.

5. Thereafter, the Board attempted to notify the Respondent on several occasions of his obligation to complete the Supplement Application, using the email of record he provided in his Compact application.

6. By email dated December 9, 2023, the Board notified the Respondent that his Maryland licensure application was not complete because he had not completed his Supplement Application. The Board notified the Respondent that his failure to complete the Supplement Application within ten (10) business days could result in disciplinary action, up to and including the revocation of his license. The Respondent did not respond to the Board's email or complete the Supplement Application at that time, however.

7. By email dated December 14, 2023, the Board notified the Respondent that his Maryland licensure application was not complete because he had not completed his Supplement Application. The Board notified the Respondent that his failure to complete the Supplement Application within ten (10) business days could result in disciplinary action, up to and including the revocation of his license. The Respondent did not respond to the Board's email or complete the Supplement Application at that time, however.

8. By email dated December 21, 2023, the Board notified the Respondent that he had not completed his Supplement Application. The Board notified the Respondent that his failure to complete the Supplement Application within ten (10) business days could result in disciplinary action, up to and including the revocation of his license. The

Respondent did not respond to the Board's email or complete the Supplement Application at that time, however.

9. By email and letter dated February 2, 2024, the Board notified the Respondent that it had opened an investigation based on his failure to complete the Supplement Application as required under Health Occ. § 14-313.1. The Board advised the Respondent to complete the Supplement Application immediately and notify the Board that he had done so to avoid its issuance of disciplinary charges against him and the non-renewal of his Compact license. The Respondent did not respond to the Board's email or letter, or complete the Supplement Application at that time, however.

10. To date, the Respondent has not completed the Supplement Application.

CONCLUSIONS OF LAW

Based on the foregoing Findings of Fact, Panel A concludes as a matter of law that the Respondent failed to complete his Supplement Application, in violation of Health Occ. § 14-404(a)(43) and Health Occ. § 14-313.1(a).
