CONSENT ORDER

PROCEDURAL BACKGROUND

Based on information received regarding the Application for Initial Medical Licensure (the "Application") of Mulugeta Dessie Kassahun, M.D., (the "Applicant") to practice medicine in Maryland, Disciplinary Panel A ("Panel A") of the Maryland State Board of Physicians (the "Maryland Board") has grounds to deny the Application under the Maryland Medical Practice Act (the "Act"), Md. Code Ann., Health Occ. §14-101 et seq. Prior to the issuance of a Notice of Intent to Deny Application for Initial Medical Licensure, the Applicant agreed to enter into, with the Maryland Board, this public Consent Order, which consists of Procedural Background, Findings of Fact, Conclusions of Law, Order and Consent.

Specifically, Panel A has grounds to deny the Application pursuant to the following provisions of the Act:

Health Occ. §14-205. Miscellaneous powers and duties.

(b) Additional powers.

(3) Subject to the Administrative Procedure Act and the hearing provisions of §14-405 of this title, a disciplinary panel may deny a license to an applicant ... for:

(i) Any of the reasons that are grounds for disciplinary action under §14-404 of this title[.]

Health Occ. §14-404. Denials, reprimands, suspensions and revocations – Grounds.

(a) Subject to the hearing provisions of §14-405 of the subtitle, a disciplinary panel, on the affirmative vote of a majority of the quorum of the disciplinary panel, may reprimand any licensee, place any licensee on probation or suspend or revoke the license if the licensee:

- (1) Fraudulently or deceptively obtains or attempts to obtain a license for the applicant or licensee or for another;
- (36) Willfully makes a false representation when seeking or making application for licensure or any other application related to the practice of medicine[.]

FINDINGS OF FACT

Panel A makes the following findings of fact:

1. On or about April 5, 2025, the Applicant filed with the Maryland Board an Application to practice medicine in Maryland.

2. The Application contained a series of character and fitness questions, to which the Applicant was required to answer “YES” or “NO.” The Applicant responded “NO” to the following character and fitness questions:

“2. Has a state licensing or disciplinary board (including Maryland), a comparable body in the armed services, or the Veterans Administration, ever taken action against your license? Such actions include, but are not limited to, limitations of practice, required education admonishment or reprimand, suspension, probation or revocation.

3. Has any licensing or disciplinary board in any jurisdiction (including Maryland), a comparable body in the armed services, or the Veterans Administration, ever filed any complaints or charges against you or investigated you for any reason.”

3. At the conclusion of the Application, the Applicant certified that he personally reviewed all responses to the items in the Application and that the information he gave was true to the best of his knowledge, information and belief. He further attested that he understood that providing any false, misleading, or incomplete information may result in disciplinary action by the Board.

4. On or about April 7, 2025, the Board requested an explanation from the Applicant regarding the discrepancies between his Application and information noted on his National Practitioner Data Bank ("NPDB") and Federation of State Medical Boards ("FSMB") profiles.

5. On or about April 11, 2025, through a third-party intermediary, the Applicant provided a written response regarding the discrepancies.

6. The Board received the following information about the Applicant's past disciplinary board history:

a) On June 5, 2012, the Board of Medical Examiners of the State of Nevada (the "Nevada Board") issued a "Complaint" against the Applicant for incorrectly performing a vasectomy on a patient rather than a scheduled cyst removal from the patient's left testicle.

b) On September 7, 2012, the Applicant entered into a "Settlement, Waiver and Consent Agreement" with the Nevada Board, wherein the Applicant was issued a public reprimand, and was subject to terms and conditions that included his completion of CME hours and payment of a monetary fine.

7. By not disclosing the above disciplinary board actions, the Board's investigation determined that the Applicant made a material misrepresentation on his Application.

CONCLUSIONS OF LAW

Based on the foregoing Findings of Fact, Disciplinary Panel A concludes as a matter of law that the Applicant: fraudulently or deceptively obtains or attempts to obtain a license for the applicant or licensee or for another, in violation of Health Occ. §14-404(a)(1); and willfully makes a false representation when seeking or making application for licensure or any other application

related to the practice of medicine, in violation of Health Occ. §14-404(a)(36). *See* Health Occ. § 14-205(b)(3)(i).
