ORDER TERMINATING PROBATION

On April 18, 2018, Disciplinary Panel B of the Maryland State Board of Physicians and Samuel W. Alleyne, M.D., entered into a Consent Order, wherein Panel B found that Dr. Alleyne was guilty of unprofessional conduct in the practice of medicine, failed to comply with the Centers for Disease Control's guidelines on universal precautions, and violated the probation imposed by the June 16, 2017 Consent Order.¹ Pursuant to the April 2018 Consent Order, the probation imposed by the June 2017 Consent Order was extended by a minimum of one (1) year and Dr. Alleyne was reprimanded and required to comply with certain terms and conditions. The April 2018 Consent Order also reiterated the permanent conditions from the prior Consent Order that permanently prohibited Dr. Alleyne from practicing pain medicine and prescribing Controlled Dangerous Substances ("CDS"). Dr. Alleyne has satisfied the terms and conditions required by the June 2017 and April 2018 Consent Orders. It is thus hereby

ORDERED that the probation imposed by the June 16, 2017 and April 18, 2018 Consent Orders is **TERMINATED**; and it is further

ORDERED that the reprimands remain in effect; and it is further

ORDERED that the permanent condition prohibiting Dr. Alleyne from practicing pain medicine and prescribing CDS remains in effect; and it is further

ORDERED that this is a public document.
