ORDER

On February 17, 2021, Disciplinary Panel A (the "Panel") of the Maryland State Board of Physicians (the "Board") issued a Final Decision and Order that concluded, as a matter of law, that Augustus H. Hill, M.D., had fraudulently or deceptively obtained or attempted to obtain a license, was guilty of unprofessional conduct in the practice of medicine, willfully made a false representation when seeking or making application for licensure, and was disciplined by another licensing or disciplinary authority for an act that would be grounds for disciplinary action in Maryland.¹ As a result of the Final Decision and Order, Dr. Hill's license to practice medicine in the State of Maryland was suspended for one (1) year and he was required to pay a civil fine of \$5,000.00 within one (1) year. Dr. Hill has paid the \$5,000.00 and one year has passed from the date of the Final Decision and Order. It is thus hereby

ORDERED that the suspension imposed by the February 17, 2021 Final Decision and Order is **TERMINATED**; and it is further

ORDERED that this is a public document.
