ORDER TERMINATING PROBATION

On June 26, 2013, the Maryland State Board of Physicians (the “Board”) and Laurie Poss, M.D., entered into a Consent Order wherein Dr. Poss’s license was suspended, and she was required to comply with certain terms and conditions including that she enters into the Maryland Professional Rehabilitation Program (“MPRP”) and comply with all of MPRP’s recommendations. On November 12, 2015, Disciplinary Panel A (the “Panel”) of the Board issued an Order After Show Cause Hearing, concluding that Dr. Poss violated the terms of her Consent Order because she failed to take a physician re-entry examination, which was recommended by the MPRP. The Panel ordered that Dr. Poss's license remain suspended and permitted Dr. Poss to petition the panel to terminate her suspension after she completed and passed a re-entry examination and any other evaluations required by the MPRP.

On April 19, 2018, after consideration of Dr. Poss’s petition to terminate her suspension and the entire record in this case, the Panel issued an Order Terminating Suspension and Imposing Probation¹ that placed Dr. Poss on probation for a minimum of three (3) years with terms and conditions, including, being supervised by a panel-approved workplace monitor or peer supervisor for a minimum of one (1) year and continued compliance with all of MPRP’s recommendations.

¹ The June 26, 2013 Consent Order, November 12, 2015 Order After Show Cause, and April 19, 2018 Order Terminating Suspension and Imposing Probation are incorporated by reference and available upon request.

Dr. Poss has complied with the terms and conditions of probation and three (3) years have passed. It is thus hereby

ORDERED that the probation imposed by the April 19, 2018 Order Terminating Suspension and Imposing Probation is **TERMINATED**; and it is further

ORDERED that this is a public document.
