ORDER TERMINATING SUSPENSION

On April 9, 2021, Disciplinary Panel B (the "Panel") of the Maryland State Board of Physicians (the "Board") issued an Order of Default, wherein the Panel concluded, as a matter of law, that Robert P. Williams was guilty of unprofessional conduct in the practice of medicine, failed, on proper request, and in accordance with the provisions of Title 4, Subtitle 3 of the Health-General Article, to provide details of a patient's medical record to the patient, another physician, or hospital, and failed to cooperate with a lawful investigation conducted by the Board or a disciplinary panel.¹ Dr. Williams was reprimanded and his license to practice medicine was suspended until the time when the Board received documentation that he provided the patient with the medical records requested. Dr. Williams has fully and satisfactorily complied with all the terms and conditions imposed by the April 9, 2021 Order of Default. It is thus hereby

ORDERED that the suspension imposed by the April 9, 2021 Order of Default is **TERMINATED**; and it is further
