ORDER TERMINATING PROBATION

On December 22, 2015, Disciplinary Panel A (“Panel A”) the Maryland State Board of Physicians and the Respondent, M. Michael Massumi, M.D., entered into a Consent Order, wherein Panel A concluded, as a matter of law, that Dr. Massumi had failed to meet the standards of quality medical care as determined by appropriate peer review and had violated the probationary conditions imposed under the Order Terminating Suspension and Imposing Probation dated May 1, 2013. Pursuant to the Consent Order, Dr. Massumi’s license to practice medicine in the State of Maryland was suspended for ninety (90) days effective from January 1, 2016 and he was required to comply with certain terms and conditions.

On March 30, 2016, the Board issued an Order Terminating Suspension and Imposing Probation that terminated the suspension of Dr. Massumi’s medical license and placed him on probation for a minimum of three (3) years with certain terms and conditions.¹ Dr. Massumi has satisfied the terms and conditions required by the March 2016 Order Terminating Suspension and Imposing Probation. It is thus hereby

ORDERED that the probation imposed by the March 30, 2016 Order Terminating Suspension and Imposing Probation is **TERMINATED**; and it is further

ORDERED that this is a public document.
