Re: Jason Goodman, M.D.
Case No. 2218-0055A
License No. D55846

Dear Dr. Goodman, Ms. Schultz, and Ms. Smith:

On April 4, 2018, Disciplinary Panel A of the Maryland State Board of Physicians issued an Amended Order for Summary Suspension of License to Practice Medicine in this case, pursuant to Md.Code Ann., State Gov't § 10-226(c)(2)(i) (2014 Repl. Vol.). On June 13, 2018, Disciplinary Panel A held a post-deprivation hearing, in which Dr. Goodman was given an opportunity to argue why the summary suspension should not continue. Dr. Goodman attended the hearing on that date together with his counsel, Dana K. Schultz. The State was represented by Debra A. Smith, Administrative Prosecutor. Both parties presented oral argument at the hearing.

After consideration of the presentations of the parties, and the investigative file, Disciplinary Panel A of the Board determined that it would continue the summary suspension. The arguments presented, when considered in the light of the investigative findings in the file, persuaded Disciplinary Panel A that there exists a substantial risk of serious harm to the public health, safety or welfare in Dr. Goodman's continued practice. Disciplinary Panel A, through its counsel, advised Dr. Goodman of this decision orally on the hearing date. The amended order for summary suspension is thus reaffirmed and continues. *See* COMAR 10.32.02.08H(1).
