TERMINATION ORDER

On May 28, 2015, the Virginia Medical Board (“Virginia Board”) issued an Order of Summary Suspension of Andrew W. Loftus, M.D.'s medical license, concluding that he was a substantial danger to the public health or safety. On September 24, 2015, the Maryland State Board of Physicians and Dr. Loftus entered into a Consent Agreement in which Dr. Loftus’ license to practice medicine in Maryland was suspended until such time that his license was reinstated by the Virginia Board.

On October 22, 2015, the Virginia Board issued a Consent Order that continued Dr. Loftus’ suspension for an indefinite period of time, but stayed the suspension so long as he complied with the terms and conditions imposed in the Consent Order. On April 25, 2016, the Virginia Board issued a letter further staying the suspension and requiring Dr. Loftus to continue to comply with certain terms and conditions.

On May 18, 2016, the Maryland Board issued an Order Staying Suspension based on the Virginia Board’s April 25, 2016 letter.

On September 30, 2016, Dr. Loftus’ Maryland medical license expired.

On January 4, 2018, the Maryland Board issued an Order of Reinstatement that reinstated Dr. Loftus’ Maryland medical license, suspended it with the suspension immediately stayed, and

ordered that the stayed suspension remain in effect until the Virginia Board terminates the stayed suspension of his license in Virginia and reinstates his license without restriction.

On October 1, 2020, the Virginia Board issued a public letter stating that Dr. Loftus had met the terms and conditions of the October 22, 2015 Consent Order and that his license was full and unrestricted in the Commonwealth of Virginia.¹ It is thus hereby

ORDERED that the suspension imposed by the January 4, 2018 Order of Reinstatement are **TERMINATED**; and it is further

ORDERED that this is a public document.
