**.14 Proposed Orders; . . .**

- A. Nothing in this chapter prohibits the issuance of a charging document with a proposed order which will go into effect if the respondent fails to request a hearing.

On November 14, 2018, Panel A was convened as a Disciplinary Committee for Case Resolution (“DCCR”) in this matter. As a result of negotiations occurring before Panel A, the Respondent agreed to enter into the following Consent Order, consisting of Procedural Background, Findings of Fact, Conclusions of Law, Order, Consent and Notary.

**FINDINGS OF FACT**

Panel A makes the following Findings of Fact:

1. At all times relevant hereto, the Respondent was and is licensed to practice medicine in the State of Maryland. The Respondent was initially licensed to practice medicine in Maryland on September 25, 2006, under License Number D65130. The Respondent’s license is active through September 30, 2019.
2. On or about July 10, 2017, the Respondent submitted an online application (the “Application”) for the renewal of the Respondent’s license using the Board’s online renewal application process.
3. When a licensee applies online to renew his or her license, a notice appears that informs the licensee that the Board may not renew a license if it has not received the licensee's Criminal History Record Check ("CHRC") information, which includes the

licensee's submission of his or her fingerprints to the Criminal Justice Information Services ("CJIS") before attempting to complete the renewal application.

4. The Respondent's signed Application states, "Failure to submit to a [CHRC] may result in disciplinary action." Prior to submitting the online Application, the Respondent checked a box attesting to completing the CHRC.

5. By email dated November 1, 2017, Board staff informed the Respondent that the Board had not received the CHRC. Board staff further informed the Respondent that the Respondent had ten business days to submit the CHRC.

6. To date, the Respondent has not replied to the email.

7. By letter dated January 16, 2018, the Board informed the Respondent that the Board opened a preliminary investigation based upon the failure to obtain a CHRC for license renewal and the attestation that the Respondent submitted to a CHRC.

8. To date, the Respondent has not replied to the letter.

9. Panel A's investigation determined that the Respondent failed to submit fingerprints to CJIS in compliance with the CHRC process, as set forth in Health Occ. § 14-308.1.

10. The Respondent's failure to complete the CHRC, as described above, constitutes, in whole or in part, a violation of Health Occ. § 14-404(a)(42), Fails to submit to a criminal records history check under § 14-308.1 of this title.

#### **CONCLUSIONS OF LAW**

Based on the foregoing Findings of Fact, Panel A finds as a matter of law that the Respondent violated Health Occ. § 14-404(a)(42), Fails to submit to a criminal records

history check under § 14-308.1 of this title. Panel A dismisses charges under Health Occ. § 14-404(a): (1), Fraudulently or deceptively obtains or attempts to obtain a license for the applicant, licensee, or for another; (3)(ii), Is guilty of unprofessional conduct in the practice of medicine; (33), Fails to cooperate with a lawful investigation conducted by the Board or a disciplinary panel; and (36), Willfully makes or files a false report or record in the practice of medicine.

The disciplinary panel may, in addition to one or more of the sanctions set forth above, impose a civil monetary fine on the Respondent; and it is further
