Case No.: 2218-0266A
License No.: D66341

Dear Dr. Passarell:

On June 26, 2018, Disciplinary Panel A of the Maryland State Board of Physicians (the "Board") issued an **ORDER FOR SUMMARY SUSPENSION OF LICENSE TO PRACTICE MEDICINE** in this case, pursuant to Md. Code Ann., State Gov't § 10-226(c)(2). On July 11, 2018, Disciplinary Panel A held a post deprivation hearing, giving you an opportunity to argue why the summary suspension should not continue. You attended the hearing without counsel. The State was represented by Dawn Rubin, Assistant Attorney General, Administrative Prosecutor. Both parties presented oral argument at the hearing.

After consideration of the presentations of the parties, Disciplinary Panel A of the Board determined that it would continue the summary suspension it imposed on June 26, 2018. Disciplinary Panel A thus will not lift the order of summary suspension. Disciplinary Panel A finds that the public health, safety or welfare imperatively requires the summary suspension of your license. *See* State Gov't § 10-226(c)(2)(i). The order of summary suspension is thus reaffirmed and continues. *See* COMAR 10.32.02.08H(1). Board counsel verbally informed Dr. Passarell of the panel's decision immediately following the hearing.
