CONSENT ORDER

The Maryland State Board of Physicians (the "Board") and the Respondent Aneesh K. Singla, M.D. agree to enter into this Consent Order in order to resolve Dr. Singla's dispensing prescription medication without a permit issued by the Board.

FINDINGS OF FACT

On February 19, 2013, the Board issued Dr. Singla a permit to dispense prescription medication in Maryland. The dispensing permit had an expiration date of February 18, 2018. Dr. Singla did not file an application with the Board to renew that permit, thus, the authorization for Dr. Singla to dispense prescription medication expired on February 18, 2018. After the expiration of the dispensing permit issued on February 19, 2013, Dr. Singla continued to dispense prescription medication in Maryland, although he did not have a permit to do so. On April 16, 2018, the Board received Dr. Singla's application for the reinstatement of his dispensing permit.

CONCLUSION OF LAW

Based upon the findings of fact, the Board concludes that Dr. Singla failed to comply with § 12-102 of the Health Occupations Article, in violation of § 14-404(a)(28) of the Health Occupations Article. Section 12-102 of the Health Occupations Article requires that a physician

dispensing prescription medication or devices has a permit issued by the Board. *See* Health Occ. § 12-102(c)(2)(ii)1.C.

ORDER

Based upon the findings of fact and conclusion of law, it is, by the Board, hereby

ORDERED that, within 90 days, Dr. Singla shall pay a civil fine of \$3,000 by bank certified check or money order made payable to the Maryland Board of Physicians, P.O. Box 37217, Baltimore, Maryland 21297; and it is further

ORDERED that if Dr. Singla fails to comply with any term or condition of this Consent Order, the Board, after notice and an opportunity to be heard, may impose a further sanction upon Dr. Singla, including an additional fine or the denial of his application for the reinstatement or renewal of his permit to dispense prescription medications or devices; and it is further

ORDERED that this is a public document.
