Case No.: 2223-0069  
License No.: D76104

Dear Dr. Lewis and Counsel:

On April 11, 2023, Disciplinary Panel B of the Maryland State Board of Physicians issued an **ORDER FOR SUMMARY SUSPENSION OF LICENSE TO PRACTICE MEDICINE** in this case, pursuant to Md. Code Ann., State Gov't § 10-226(c)(2) (2022 Repl. Vol.). Dr. Lewis was given an opportunity to attend a post-deprivation hearing on May 24, 2023, before Disciplinary Panel B, to show cause why that suspension should not be continued. On May 17, 2023, prior to the scheduled hearing Dr. Lewis's counsel contacted the Board and stated that Dr. Lewis waived his right to the post-deprivation hearing. Due to the waiver, Panel B did not hold a post-deprivation hearing in this matter, the summary suspension continues, and the parties may proceed to the summary suspension appeal if Dr. Lewis requests an evidentiary hearing as referenced below. COMAR 10.32.02.08E.

## NOTICE OF RIGHT TO APPEAL

Under the Board's regulations, Dr. Lewis has the right to request a full evidentiary hearing before an Administrative Law Judge. This request will be granted if the Board receives a written request for a hearing within **TEN (10)** days of the date of this letter. Any request for a hearing

should be sent to Christine A. Farrelly, Executive Director, at the Board's address. If such a hearing is requested, the regulations require that an Administrative Law Judge set the hearing to begin within 30 days of the request, *see* COMAR 10.32.02.08 I, though that 30-day requirement may be waived.

This letter constitutes an order of the Board through Disciplinary Panel B resulting from formal disciplinary action and is therefore a public document.

Sincerely,
