On January 15, 2020, Panel A was convened as a Disciplinary Committee for Case Resolution (“DCCR”) in this matter. Based on negotiations occurring as a result of the DCCR, the Respondent agreed to enter into this Consent Order, consisting of Findings of Fact, Conclusions of Law, and Order.

FINDINGS OF FACT

Panel A finds:

1. At all times relevant hereto, the Respondent was, and is, licensed to practice medicine in the State of Maryland. The Respondent was initially licensed to practice medicine in Maryland on January 7, 2016, under License Number D80861. The Respondent's license is currently active through September 30, 2020.

2. On or about August 11, 2018, the Respondent submitted an online application (the "Application") for the renewal of the Respondent's license using the Board's online renewal application process.

3. When a licensee applies online to renew his or her license, the licensee checks a box attesting that he or she has completed a Criminal History Record Check ("CHRC") and acknowledges on the same application that a licensee faces disciplinary action if the licensee fails to comply with the CHRC requirement.

4. Prior to completion of the application, a pop-up screen appears that informs the licensee that the Board may not renew a license if the Board has not received the licensee's CHRC information, which includes the licensee's submission of his or her fingerprints to the Criminal Justice Information Services ("CJIS") before attempting to complete the renewal application. The pop-up notice also notifies the licensee that failure to submit to a CHRC may result in disciplinary action.

5. The Respondent's signed Application contains two acknowledgments /affirmations by the Respondent that the Respondent had completed a CHRC.

6. By e-mail dated January 22, 2019, Board staff informed the Respondent that the Board had not received the CHRC.¹ Board staff further informed the Respondent that the Respondent had ten business days to submit the CHRC.

7. The Respondent did not reply to the e-mail.

8. By letter dated March 6, 2019, sent to the Respondent's address of record, the Board informed the Respondent that it opened a preliminary investigation based upon the failure to obtain a CHRC for license renewal and the attestation that the Respondent submitted to a CHRC. The letter notified Respondent that he or she was subject to potential disciplinary action and requested that the Respondent submit documentation to the Board to support that the Respondent obtained a CHRC within ten business days.

9. By letter dated May 28, 2019, sent to the Respondent's address of record, the Board again notified the Respondent that she was subject to potential disciplinary action and instructed the Respondent to contact the Board and submit evidence that the Respondent obtained a CHRC.

10. The Respondent did not reply to the letter.

11. By letter dated December 3, 2019, Panel A issued Charges Under the Maryland Medical Practice Act.

12. The Respondent submitted to a CHRC on December 10, 2019.

13. On December 11, 2019, the Board received the completed CHRC report pursuant to Health Occ. § 14-308.1.

¹ Board staff used the e-mail address provided by the Respondent on the Application as the "Official Email Address . . . the board will use for official correspondence."

CONCLUSIONS OF LAW

Based on the foregoing Findings of Fact, Panel A concludes as a matter of law that the Respondent violated Health Occ. § 14-404(a)(42) by failing to submit to a criminal history record check under § 14-308.1. Panel A dismisses the remaining grounds under Health Occ. § 14-404(a)(1), (3)(ii), (33), and (36).
