

IN THE MATTER OF

VIRGIL WAID MCMILLION, D.O.

Respondent

License Number: H91843

BEFORE THE

MARYLAND STATE

BOARD OF PHYSICIANS

Case Number: 2222-0103

ORDER FOR SUSPENSION OF LICENSE
TO PRACTICE MEDICINE

Disciplinary Panel A (“Panel A”) of the Maryland State Board of Physicians (the “Board”) hereby **SUSPENDS** the license of **VIRGIL WAID MCMILLION, D.O.** (the “Respondent”), License Number H91843, to practice medicine in the State of Maryland. Panel A takes such action pursuant to its authority under Md. Code Ann., Health Occ. § 14-3A-01 §§ 10(d), 24(c) and Interstate Medical Licensure Compact Rule 6.5g.

On June 9, 2021, the Respondent was licensed to practice medicine in Maryland, under License Number H91843 through the Interstate Medical Licensure Compact (“IMLC”). Health Occ. § 14-3A-01 § 5. The Respondent’s license is current through September 30, 2023.

On February 18, 2022, the Board received a notice from the IMLC that the Respondent’s Wyoming medical license was summarily suspended. On February 17, 2022, the Wyoming Board of Medicine issued an Order titled Order of Summary Suspension of Virgil Waid McMillion, D.O., Wyoming Physician License No. 13661C, NPI 1073520466, Pending a Contested Case Hearing. That Order summarily suspended the Respondent’s license beginning on February 17, 2022.

Under the compact, Health Occ. § 14-3A-01 § 10(d), “if a license granted to a physician by a member board is . . . suspended, then any license(s) issued to the physician by any other member board(s) shall be suspended, automatically and immediately without further action necessary by the other member board(s), for ninety (90) days on entry of the order by the disciplining board, to permit the member board(s) to investigate the basis for the action under the Medical Practice Act of that state.”

Under the compact, Health Occ. § 14-3A-01 § 24(c), “all rules . . . promulgated by the Commission, are binding on the member states.” IMLC Rule 6.5g states that “[u]pon receipt of notice from the Interstate Commission of an action taken by a non-state of principal license, the other member Boards shall suspend the Compact physician for 90 calendar days on entry of the order of the disciplining Board to permit the member Board to investigate under the Medical Practice Act of that state.” And, under IMLC Rule 6.5h, “After an investigation has been completed, but within 90 calendar days of the suspension, one of the following may occur: (1) a state of principal license may terminate the suspension of the license; (2) a non-state of principal license may terminate the suspension if the state of principal license has already terminated the suspension; (3) any member Board may impose reciprocal discipline or pursue reciprocal discipline pursuant to Rule 6.5(b) or (c); or (4) any member Board may continue the suspension until the member Board that initially took the action has taken a final action.”

Based upon the foregoing, Panel A concludes that the Board is required to automatically administratively suspend the Respondent’s license for a period of 90 days.

ORDER

It is, by a majority of the quorum of Panel A, hereby:

ORDERED that pursuant to the authority vested in Panel A by Md. Code Ann., Health Occ. § 14-3A-01 §§ 10(d), 24(c) and IMLC Rule 6.5g, the Respondent's license to practice medicine in the State of Maryland is hereby **SUSPENDED FOR NINETY DAYS** from the date of this Order; and it is further

ORDERED that Panel A will revisit the automatic administrative suspension upon completion of the Board's investigation; and it is further

ORDERED that a copy of this Order for Administrative Suspension shall be filed with the Board in accordance with Health Occ. § 14-407 (2021 Repl. Vol.); and it is further
