Re: Surrender of License to Practice Medicine
Virgil W. McMillion, DO License Number: H91843
Case Number: 2222-0103

Dear Dr. Olszyk and Members of the Disciplinary Panel A:

Please be advised that, pursuant to Md. Code Ann., Health Occ. ("Health Occ.") §14-403 (2014 Repl. Vol. & 2017 Supp.), I have decided to **SURRENDER** my license to practice medicine in the State of Maryland, License Number H91843, effective immediately. I understand that upon surrender of my license, I may not give medical advice or treatment to any individual, with or without compensation, and cannot prescribe medications or otherwise engage in the practice of medicine in the State of Maryland as it is defined in the Maryland Medical Practice Act (the "Act"), Health Occ. §§ 14-101 *et seq.* and other applicable laws. In other words, as of the effective date of this Letter of Surrender, I understand that the surrender of my license means that I am in the same position as an unlicensed individual in the State of Maryland.

I understand that this Letter of Surrender is a **PUBLIC DOCUMENT**, and upon Disciplinary Panel A's ("Panel A") acceptance, becomes a **FINAL ORDER** of Panel A of the Maryland State Board of Physicians (the "Board").

I acknowledge that the Board received notice from the Interstate Medical Licensure Compact ("IMLC") that my Wyoming medical license was summarily suspended and that the Board initiated an investigation into the allegations. I have decided to surrender my license to practice medicine in the State of Maryland to avoid further investigation and prosecution. I recognize that for all purposes relevant to medical licensure that these allegations shall be treated as proven and that these allegations support a conclusion that I violated Health Occ. § 14-404(a)(1), (3)(ii), (24) and (36), based upon the West Virginia Board of Osteopathic Medicine's finding that I was ineligible for the Letter of Qualification based upon my failure to report a pending criminal investigation.

I wish to make it clear that I have voluntarily, knowingly and freely chosen to submit this Letter of Surrender to avoid the issuance of charges and prosecution of the

aforementioned allegations. I do not wish to contest these allegations. I understand that by executing this Letter of Surrender I am waiving my right to contest any charges that would issue from Panel A's investigative findings in a formal evidentiary hearing at which I would have had the right to counsel, to confront witnesses, to give testimony, to call witnesses on my own behalf and all other substantive and procedural protections provided by law, including the right to appeal to circuit court.

I understand that the Board will advise the Federation of State Medical Boards, the National Practitioner Data Bank, and the Healthcare Integrity and Protection Data Bank of this Letter of Surrender. I also understand that in the event I would apply for licensure in any form in any other state or jurisdiction that this Letter of Surrender may be released or published by the Board to the same extent as a final order that would result from disciplinary action, pursuant to Md. Code Ann., Gen. Prov. §§ 4-101 *et seq.* (2014 Repl. Vol. & 2017 Supp.), and that this Letter of Surrender constitutes a disciplinary action by Panel A.

I further recognize and agree that by submitting this Letter of Surrender, my license will remain surrendered unless and until the Board grants reinstatement. In the event that I apply for reinstatement of my Maryland License, I understand that Panel A or its successor is not required to grant reinstatement; and, if it does grant reinstatement, may impose any terms and conditions the disciplinary panel considers appropriate for public safety and the protection of the integrity and reputation of the profession. I further understand that if I ever file a petition for reinstatement, I will approach Panel A or its successor in the same position as an individual whose license has been revoked.

I acknowledge that I may not rescind this Letter of Surrender in part or in its entirety for any reason whatsoever. Finally, I wish to make clear that I have been advised of my right to be represented by an attorney of my choice throughout proceedings before Panel A, including the right to consult with an attorney prior to signing this Letter of Surrender. I have consulted with (and/or was represented by) an attorney prior to signing this letter permanently surrendering my license to practice medicine in Maryland. I understand both the nature of Panel A's actions and this Letter of Surrender fully. I acknowledge that I understand and comprehend the language, meaning and terms and effect of this Letter of Surrender. I make this decision knowingly and voluntarily.

Very truly yours,
