CONSENT ORDER

PROCEDURAL BACKGROUND

Based on information received regarding the Application for Initial Medical Licensure (“Application”) of Jeremy T. Reed, M.D., (the “Applicant”) to practice medicine in Maryland, Disciplinary Panel B (“Panel B”) of the Maryland State Board of Physicians (the “Maryland Board”) has grounds to deny the Application under the Maryland Medical Practice Act (the “Act”), Md. Code Ann., Health Occ. §14-101 et seq. Prior to the issuance of a Notice of Intent to Deny Application for Initial Medical Licensure, the Applicant agreed to enter into, with the Maryland Board, this public Consent Order, which consists of Procedural Background, Findings of Fact, Conclusions of Law, Order and Consent.

Specifically, Panel B has grounds to deny the Application pursuant to the following provisions of the Act:

Health Occ. §14-205. Miscellaneous powers and duties.

(b) Additional powers.

(3) Subject to the Administrative Procedure Act and the hearing provisions of §14-405 of this title, a disciplinary panel may deny a license to an applicant ... for:

(i) Any of the reasons that are grounds for disciplinary action under §14-404 of this title[.]

Health Occ. §14-404. Denials, reprimands, suspensions and revocations – Grounds.

(a) Subject to the hearing provisions of §14-405 of the subtitle, a disciplinary panel, on the affirmative vote of a majority of the quorum of the disciplinary panel, may reprimand any licensee, place any licensee on probation or suspend or revoke the license if the licensee:

- (21) Is disciplined by a licensing or disciplinary authority or convicted or disciplined by a court of any state or country or disciplined by any branch of the United States uniformed services or the Veterans' Administration for an act that would be grounds for disciplinary action under this section[.]

The underlying grounds for disciplinary action under Health Occ. §14-04(a)(21) are § 14-404(a):

- (4) Is professionally, physically, or mentally incompetent[.]
- (7) Habitually is intoxicated.

FINDINGS OF FACT

Panel B makes the following findings of fact:

1. On or about March 12, 2024, the Applicant filed with the Maryland Board an Application to practice medicine in Maryland.

2. In his Application, the Applicant answered “yes” to the following licensing history question:

“c. Has any disciplinary action ever been taken against your license?”

3. In his Application, the Applicant answered “yes” to the following character and fitness questions:

“1. Has a state licensing or disciplinary board (including Maryland), a comparable body in the armed services, or the Veterans Administration, ever denied your application for licensure, reinstatement, or renewal?”

2. Has a state licensing or disciplinary board (including Maryland), a comparable body in the armed services, or the Veterans Administration, ever taken action against your

license? Such actions include, but are not limited to, limitations of practice, required education admonishment or reprimand, suspension, probation or revocation.

3. Has any licensing or disciplinary board in any jurisdiction (including Maryland), a comparable body in the armed services, or the Veterans Administration, ever filed any complaints or charges against you or investigated you for any reason?"

4. Have you ever withdrawn your application for a medical license or other health professional license?

5. Has a hospital, related health care institution, HMO, or alternative health care system ever investigated you or ever brought charges against you?

6. Has a hospital, related health care institution, HMO, or alternative health care system ever denied your application; failed to renew your privileges, including your privileges as a resident; or limited, restricted, suspended, or revoked your privileges in any way?

7. Have you ever pleaded guilty or nolo contendere to any criminal charge, been convicted of a crime, or received probation before judgment because of a criminal charge?

8. Have you ever committed an offense involving alcohol or controlled dangerous substances to which you pled guilty or nolo contendere, or for which you were convicted or received probation before judgment?

14. Has your employment or contractual relationship with any hospital, HMO, other health care facility, health care provider, institution, armed services, or the Veterans Administration ever been terminated for disciplinary reasons?

15. Have you ever voluntarily resigned or terminated a contract with any hospital, HMO, other health care facility, health care provider, institution, armed services, or the Veterans Administration while under investigation by that institution for disciplinary reasons?

16. Have you ever surrendered your license or allowed it to lapse while you were under investigation by any licensing or disciplinary board of any jurisdiction, any entity of the armed services, or the Veterans Administration?"

4. Based on the Applicant's affirmative responses in the Application, the Maryland Board initiated an investigation, which revealed that the Applicant pled guilty to Driving Under the Influence ("DUI") of alcohol in 2010, 2016, and 2018.

5. As a result, on or about January 2, 2018, the Applicant's clinical privileges at Guthrie Medical Group were summarily suspended. In lieu of further investigation, the Applicant voluntarily resigned his privileges.
6. On or about August 17, 2018, the Applicant lost his clinical privileges at Darnell Army Medical Center and was honorably discharged from the United States Army.
7. On October 23, 2018, the Applicant entered into a Consent Agreement and Order ("Consent Order") with the Commonwealth of Pennsylvania State Board of Medicine (the "PA Board"). In the Consent Order, the Applicant was immediately suspended for three (3) years, which was immediately stayed in favor of probation for a minimum of three (3) years. Under the terms and conditions of his probation, the Applicant was ordered to, in part, enroll in and successfully complete the Pennsylvania Physicians' Health Program ("PA PHP").
8. On January 8, 2019, based on the PA Board Consent Order, the Commonwealth of Virginia Board of Medicine (the "VA Board") issued an Order of Mandatory Suspension, wherein the Applicant's license was mandatorily suspended and was to remain suspended until he applies for reinstatement.
9. On November 1, 2021, after completing all terms and conditions of the PA Board Consent Order, the PA Board issued a Final Order reinstating the Applicant's license and terminating his probation.
10. On May 21, 2019, the Applicant and the New Mexico Medical Board (the "NM Board") entered into an Agreed Order, wherein the Applicant was permitted to voluntarily withdraw his application while under investigation.
11. On or about February 15, 2024, the Applicant signed a second, voluntary, monitoring contract with PA PHP, effective until February 2029.

CONCLUSIONS OF LAW

Based on the foregoing Findings of Fact, Disciplinary Panel B concludes as a matter of law that the Applicant was disciplined by a licensing or disciplinary authority for acts that, if committed in Maryland, would be grounds for disciplinary action under Health Occ. §14-404(a), in violation of §14-404(a)(21). *See* Health Occ. § 14-205(b)(3)(i). The underlying grounds for action under Health Occ. §14-404(a)(21), if committed in Maryland, are Health Occ. §14-404(a)(4): Is professionally, physically, or mentally incompetent and (7): Habitually is intoxicated[.]
