Respondent	*	OF PHYSICIANS

CONSENT ORDER

BACKGROUND

Pursuant to its authority under Md. Health Occ. Ann. ("H.O.") §14-401 *et seq.*, the Maryland State Board of Physicians (the "Board") conducted an audit of the continuing respiratory care education hours filed with the license renewal application of Dante Walker, RCP. (the "Respondent"), License Number L0007159. The audit findings revealed that the Respondent failed to complete sixteen (16) hours of approved continuing respiratory care education for license renewal, in violation of H.O. §14-5A-13 and Code of Maryland Regulations ("COMAR").

The pertinent provision of H.O. §14-5A-13 provides:

Expiration, renewal and reinstatement.

(c) Except as otherwise provided in this subtitle, before a license expires, the licensee periodically may renew it for an additional term, if the licensee:

(2) Pays to the Board a renewal fee set by the Board; and

(3) Submits to the Board:

(i) A renewal application on the form that the Board requires; and

(ii) Satisfactory evidence of compliance with any continuing education or competency requirements and other requirements set under this section for license renewal.

The pertinent provisions of COMAR under 10.32.11 provide:

.11 Renewal, Reinstatement, and Continuing Education.

A. Renewal.

(2) An individual who has been licensed by the Board as a respiratory care practitioner may renew the license every 2 years on the date specified by the Board by:

- (c) Attesting to the completion of 16 hours of approved continuing respiratory care education, earned during the 2-year period preceding the expiration of the license for respiratory care, as described in §C of this regulation.

The Board has agreed to accept the Respondent's voluntary offer to enter into this Consent Order and submit to the terms and conditions as set out by this Consent Order.

FINDINGS OF FACT

1. At all times relevant herein, the Respondent was and is licensed to practice respiratory care in the State of Maryland. He was initially licensed in Maryland on October 23, 2019.
2. On May 29, 2024, the Respondent signed the affirmation in his 2024 renewal application that he had obtained the required 16 hours of approved continuing respiratory care education.
3. During the renewal process, the Respondent received a Continuing Education Audit Notice, requiring that he submit documentation of his continuing education hours to the Board.
4. Based upon the information received from the Respondent, he had obtained zero hours of the required 16 hours of approved continuing respiratory care education, not 16 hours as affirmed by the Respondent.
5. The Respondent's failure to provide documentation of 16 hours of approved continuing respiratory care education and signing the certification regarding continuing education requirements on the 2024 renewal constitute a failure to comply with the statute and regulations.

CONCLUSIONS OF LAW

Based on the foregoing Findings of Fact, the Board concludes as a matter of law that the Respondent violated §14-5A-13(c) and COMAR 10.32.11.11A(c) by failing to obtain the requisite continuing education credits.

ORDER

It is hereby:

Board staff will verify the 32 hours of continuing respiratory care education hours that are sent to the Board. 3. The Respondent's license shall not be renewed in 2026 unless the requirements of paragraphs 1 and 2 are met; and it is further
