Case No.: 7718-0027A
License No.: L05223

Dear Mr. O'Neill:

On November 6, 2017, Disciplinary Panel A of the Maryland State Board of Physicians issued an **ORDER OF SUMMARY SUSPENSION OF LICENSE TO RESPIRATORY CARE** in this case, pursuant to Md. Code Ann., State Gov't II, § 10-226(c)(2)(i) (2014 Repl. Vol.). You were given an opportunity to attend a post-deprivation hearing before Disciplinary Panel A to show cause why that suspension should not be continued on November 15, 2017. You attended the hearing on that date. The State was represented by Robert Gilbert, Deputy Counsel, Administrative Prosecutor. Both parties presented oral arguments at the show cause hearing.

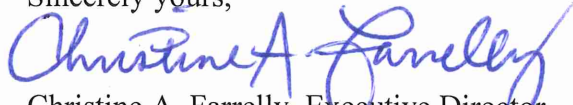

After considering these arguments at the hearing and the investigative file, Disciplinary Panel A determined that it would continue the summary suspension imposed on November 6, 2017. Disciplinary Panel A thus will not lift the summary suspension order. The arguments submitted, when considered in the light of the investigative findings in the file, persuade Disciplinary Panel A there exists a substantial risk of serious harm to the public health, safety or welfare in your continued practice. Disciplinary Panel A, through its counsel, advised you of this decision orally on the hearing date.

NOTICE OF RIGHT TO APPEAL

Under the Board regulations, you have the right to request a full evidentiary hearing before an Administrative Law Judge. This request will be granted if the Board receives a written request for the hearing within **TEN (10)** days of the date of this letter. Any request for a hearing should be sent to Christine Farrelly, Executive Director, at the Board's address. If such a hearing is requested, the regulations require that an Administrative Law Judge set the hearing to begin within 30 days of the request, *see* COMAR 10.32.02.08 I, though that 30-day requirement may be waived.

This letter constitutes an order of the Board through Disciplinary Panel A resulting from formal disciplinary action and is therefore a public document.

Sincerely yours,

Christine A. Farrelly, Executive Director
Maryland State Board of Physicians
