Case Number: 2218-0262 B

CONSENT ORDER

Disciplinary Panel B of the Maryland State Board of Physicians (the "Board") charged Walter Lee (the "Respondent"), an unlicensed individual, under the Maryland Athletic Trainers Act (the "Act"), Md. Code Ann., Health Occ. §§ 14-5D-01 *et seq.* (2014 Repl. Vol. & 2017 Supp.).

The pertinent provisions of the Act provide as follows:

§ 14-5D-07. License required; exception

(a) *License required.* Except as otherwise provided in this subtitle,¹ on or after October 1, 2011, an individual shall be licensed by the Board before the individual may practice athletic training in the State.

§ 14-5D-01. Definitions

- ...
- (p) *Practice athletic training*
 - (1) "Practice athletic training" means application of the following principles and methods for managing athletic injuries for athletes in good overall health under the supervision of a licensed physician:
 - (i) Prevention;
 - (ii) Clinical evaluation and assessment;
 - (iii) Immediate care; and
 - (iv) Treatment, rehabilitation, and reconditioning.

¹ The statutory exceptions are not applicable.

§ 14-5D-11. Supervision required; evaluation and treatment protocol.

...

(b) Preliminary requirements. Before an athletic trainer may practice athletic training, the athletic trainer shall:

- (1) Obtain a license under this subtitle[.]

§ 14-5D-17. Practice without license prohibited.

Unless authorized to practice athletic training under this subtitle, a person may not:

- (1) Practice athletic training in this State;
- (2) Attempt to practice or offer to practice athletic training in this State;
- (3) Represent to the public by title, description of services, methods, or procedures, or otherwise, that the person is authorized to practice athletic training in this State[.]

Prior to the issuance of a charging document, the Respondent agreed to enter into the following Consent Order, consisting of Findings of Fact, Conclusions of Law, Order and Consent.

FINDINGS OF FACT

1. At all times relevant, the Respondent was not licensed by the Board as an athletic trainer or licensed by any other Maryland health occupation licensing board.
2. On or about March 12, 2018, the Board received a complaint alleging that the Respondent was performing duties of an athletic trainer for athletes at a high school located in Maryland.

3. Attached to the complaint was information that the Respondent was listed as an “athletic trainer” on the website of the athletic department of a high school located in Maryland.²
4. In furtherance of the Board’s investigation of this matter, Board staff obtained information from the county school system that the Respondent had signed an “Assignment to Extra-Curricular Pay Positions” under the terms of which he accepted the assignment of and compensation as an athletic trainer during the 2017 – 2018 school year. The corresponding job description stated that “the athletic trainer will work with coaches in the prevention of athletic injuries,” and that athletic trainers “shall have an injury management program.”
5. When interviewed by Board staff the Respondent acknowledged that he had taped athletes’ ankles, “or taped a wrist or a finger. I mean, that’s typical, taping, minor taping like that.” The Respondent, who was accompanied by counsel, declined to answer additional questions regarding whether he had performed other types of activities within the scope of practice of an athletic trainer.
6. Board staff obtained further information from individuals who had observed the Respondent during the high school’s athletic events perform functions that were consistent with the scope of practice of an athletic trainer, including palpating athletes’ joints, icing and taping athletes.

² A second unlicensed individual was also listed as an athletic trainer on the website. Disciplinary Panel B has separately charged that individual with unauthorized practice of athletic training.

CONCLUSION OF LAW

Based on the foregoing findings of fact, Panel B concludes as a matter of law that the Respondent practiced as an athletic trainer without a license, in violation of Health Occ. §§ 14-5D-07, (11)(b) and 17.

ORDER

Based on the foregoing Findings of Fact and Conclusion of Law, it is, by Panel B, hereby

ORDERED that the Respondent shall immediately **cease and desist** practicing athletic training; and it is further

ORDERED that within one (1) year, the Respondent shall pay a civil fine in the amount of \$500.00 by money order or bank certified check made payable to the Maryland Board of Physicians, and mailed to P.O. Box 37217, Baltimore, Maryland 21297; and it is further

ORDERED that the effective date of the Consent Order is the date the Consent Order is signed by the Executive Director of the Board or her designee. The Executive Director signs the Consent Order on behalf of the disciplinary panel which has imposed the terms and conditions of this Consent Order; and it is further

ORDERED that this Consent Order is a public document. *See* Md. Code
Ann., Health Occ. §§ 1-607, 14-411.1(b)(2) and Gen. Prov. § 4-333(b)(6).
