On May 19, 2021, Disciplinary Panel A (the “Panel”), the Maryland State Board of Physicians (the “Board”), and Daniel Szuba entered into a Consent Order wherein the Panel concluded, as a matter of law, that Mr. Szuba was guilty of immoral or unprofessional conduct in the practice of radiography, was addicted to or habitually abused any narcotic or controlled dangerous substance as defined in § 5-101 of the Criminal Law Article, and provided professional services while using any narcotic or controlled dangerous substance as defined § 5-101 of the Criminal Law Article, in violation of Health Occ. §§ 14-5B-14(a)(3), (7), and (8)(ii), respectively. The Panel reprimanded Mr. Szuba and suspended his radiographer license for a minimum of one (1) year with terms and conditions, including requiring him to enroll with the Maryland Professional Rehabilitation Program (“MPRP”) and comply with all of its recommendations.

On June 13, 2022, after consideration of Mr. Szuba’s petition to terminate his suspension, the Panel issued an Order on the Petition to Terminate Suspension of Radiography License¹, wherein the Panel terminated the suspension imposed by the May 19, 2021, Consent Order, placed Mr. Szuba on probation for a minimum period of two (2) years and required him to remain enrolled in MPRP and comply with its recommendations.
