FINAL ORDER OF REVOCATION OF RADIOGRAPHY LICENSE

On April 9, 2018, Disciplinary Panel B ("Panel B") of the Maryland State Board of Physicians (the "Board") notified Moaaz B. Ali, Radiographer (the "Respondent"), License Number R11138, of its intent to revoke his license to practice radiography in the State of Maryland. The Notice informed the Respondent that unless he requested a hearing in writing within 30 days of the date of mailing of the Notice, Panel B intended to sign this Final Order, which was enclosed. More than 30 days has elapsed, and the Respondent failed to request a hearing. Therefore, Panel B hereby revokes the Respondent's license to practice radiography.

The basis for Panel B's action was pursuant to the Maryland Radiation Therapy, Radiography, Nuclear Medicine Technology, and Radiology Assistance Act, codified at Md. Code Ann., Health Occ. "Health Occ.") §§ 14-5B-01 *et seq.* (the "Act") (2014 Repl. Vol. and 2016 Supp.), and the Board's regulations at Code of Maryland Regulations ("COMAR") 10.32.02.14(A).

The pertinent provisions of Health Occ. provide:

Health Occ. § 14-5B-14. Denial of license.

- (a) *In general*—Subject to the hearing provisions of § 14-405 of this title, a disciplinary panel, on the affirmative vote of a majority of the quorum of the disciplinary panel, may deny a license to any

applicant, reprimand any licensee, place any licensee on probation, or suspend or revoke a license, if the applicant or licensee:

- (1) Fraudulently or deceptively obtains or attempts to obtain a license for the applicant, licensed individual, or for another;
- (3) Is guilty of unprofessional or immoral conduct in the practice of radiation therapy, radiography, nuclear medicine technology, or radiology assistance;
- (10) Willfully makes or files a false report or record in the practice of radiation therapy, radiography, nuclear medicine technology, or radiology assistance;
- (28) Fails to submit to a criminal history records check under § 14-308.1 of this title.

Health Occ. § 14-308.1. Criminal history records check through Central Repository.

- (a) In this section, "Central Repository" means the Criminal Justice Information System Central Repository of the Department of Public Safety and Correctional Services.
- (b) An applicant, a licensee, or a certificate holder shall apply to the Central Repository for a State and national criminal history records check.
- (c) As part of the application required under subsection (b) of this section, an individual shall submit to the Central Repository:
 - (1) Two complete sets of legible fingerprints taken on forms approved by the Director of the Central Repository and the Director of the Federal Bureau of Investigation;
 - (2) The fee authorized under § 10-221(b)(7) of the Criminal Procedure Article for access to State criminal history records; and
 - (3) The mandatory processing fee required by the Federal Bureau of Investigation for a national criminal history records check.

The pertinent provision of the Board's regulations, COMAR 10.32.02.14 provides:

.14 Proposed Orders; . . .

- A. Nothing in this chapter prohibits the issuance of a charging document with a proposed order which will go into effect if the respondent fails to request a hearing.

FINDINGS OF FACT

Panel B finds the following:

1. At all times relevant hereto, the Respondent was and is licensed to practice radiography in the State of Maryland. The Respondent was initially licensed to practice radiography in Maryland on August 14, 2016, under License Number R11138. The Respondent's license is active through March 31, 2019.
2. On or about March 31, 2017, the Respondent initiated the process of applying for renewal of his radiography license for the 2017 renewal period using the Board's online renewal application process. When a licensee applies online to renew his or her license, a notice appears that informs the licensee that the Board may not renew a license if it has not received the licensee's Criminal History Record Check ("CHRC") information, which includes the licensee's submission of his or her fingerprints to the Criminal Justice Information Services ("CJIS") before attempting to complete the renewal application.
3. The Respondent submitted his online application (the "Application") and the required renewal fee on or about March 31, 2017. The Application states, "Failure to submit to a [CHRC] may result in disciplinary action." When submitting his online Application, the Respondent checked a box attesting that he had completed the CHRC.
4. By email dated July 21, 2017, Board staff informed the Respondent that the Board had not received the CHRC he had attested to completing prior to filing the renewal application. Board staff further informed the Respondent that he had ten business days to submit the CHRC. The Board did not receive a response from the Respondent.

5. By letter dated September 18, 2017, Board staff informed the Respondent that the Board had initiated a preliminary investigation of this matter and required him to submit documentation to support that he had obtained the CHRC no later than ten business days after receipt of the letter. The Board did not receive a response from the Respondent.

6. Panel B's investigation determined that the Respondent failed to submit his fingerprints to CJIS in compliance with the CHRC process, as set forth in Health Occ. § 14-308.1, and misrepresented to the Board in his Application that he completed the CHRC.

CONCLUSIONS OF LAW

Based on the foregoing Findings of Fact, Panel B concludes as a matter of law that the Respondent violated Md. Code Ann., Health Occ. § 14-5B-14(a) (1), (3), (10), and (28) (2014 Repl. Vol. & 2016 Supp.).
