2. In the Application, the Radiographer documented that since August 2024, she was employed by the Respondent<sup>2</sup> as a radiology technologist at the Respondent's urgent care center (the "Center") located in Steeplechase, Maryland.
3. Based on the information in the Application, the Board initiated an investigation.
4. The Board subpoenaed and received the Radiographer's personnel records which documented, among other things, that the Radiographer performed x-rays to diagnose injuries while unlicensed in Maryland and working at the Center between August
