ORDER

On June 30, 2021, the Maryland State Board of Physicians (the "Board") issued a Notice of Failure to File a Report (the "Notice") to the University of Maryland Baltimore-Washington Medical Center (the "Respondent"), wherein the Board concluded that the Respondent failed to report to the Board within ten (10) days that, effective September 3, 2020, it had terminated an employee, a Radiographer, at least in part because it had reason to believe that the Radiographer may have committed a violation of the Act under Health Occ. § 14-5B-14.¹ The Board ordered the Respondent to pay a civil penalty of \$500.00 within thirty (30) days of the Notice. The Respondent has paid the \$500.00 civil penalty. It is thus hereby

ORDERED that the payment of the civil penalty has been **SATISFIED**; and it is further

ORDERED that this is a public document.
