**CONSENT ORDER**

On January 13, 2021, Disciplinary Panel B (“Panel B”) of the Maryland State Board of Physicians (the “Board”) charged Stephen L. Robinson, Perfusionist (the “Respondent”) with violating the Maryland Perfusion Act (the "Act"), Md. Code Ann., Health Occ. §§ 14-5E-01 *et seq.* (2014 Repl. Vol. & 2019 Supp.)

The relevant provisions of the Act state the following:

**Health Occ. § 14-5E-16. Denial, suspension or revocation of license.**

- (a) Subject to the hearing provisions of § 14-405 of this subtitle, a disciplinary panel, on the affirmative vote of a majority of the quorum of the disciplinary panel, may deny a license to any applicant, reprimand any licensee, place any licensee on probation, or suspend or revoke a license if the licensee:

- (28) Fails to submit to a criminal history records check under § 14-308.1 of this title[.]

Section 14-308.1 of the Health Occupations Article provides:

- (a) In this section, “Central Repository” means the Criminal Justice Information System Central Repository of the Department of Public Safety and Correctional Services.
- (b) An applicant, a licensee, or a certificate holder shall apply to the Central Repository for a State and national criminal history records check.

- (c) As part of the application required under subsection (b) of this section, an individual shall submit to the Central Repository:
- (1) Two complete sets of legible fingerprints taken on forms approved by the Director of the Central Repository and the Director of the Federal Bureau of Investigation;
  - (2) The fee authorized under § 10-221(b)(7) of the Criminal Procedure Article for access to State criminal history records; and
  - (3) The mandatory processing fee required by the Federal Bureau of Investigation for a national criminal history records check.

On March 24, 2021, Panel B was convened as a Disciplinary Committee for Case Resolution (“DCCR”) in this matter. Based on negotiations occurring as a result of this DCCR, the Respondent agreed to enter into this Consent Order, consisting of Findings of Fact, Conclusions of Law, Order, and Consent.

### **FINDINGS OF FACT**

Panel B finds the following:

1. At all times relevant hereto, the Respondent was, and is, licensed to practice perfusion in the State of Maryland. The Respondent was initially licensed to practice perfusion in Maryland on October 18, 2013, under License Number Y00046. The Respondent’s license is currently active through January 31, 2022.
2. On or about January 30, 2018, the Respondent submitted an online application (the “Application”) for the renewal of the Respondent’s license using the Board’s online renewal application process.

3. When a licensee applies online to renew his or her license, the licensee checks a box attesting that he or she has completed a Criminal History Record Check ("CHRC") and acknowledges on the same application that a licensee faces disciplinary action if the licensee fails to comply with the CHRC requirement.

4. Prior to completion of the application a pop-up screen appears that informs the licensee that the Board may not renew a license if the Board has not received the licensee's CHRC information, which includes the licensee's submission of his or her fingerprints to the Criminal Justice Information Services ("CJIS") before attempting to complete the renewal application. The pop-up notice also notifies the licensee that failure to submit to a CHRC may result in disciplinary action.

5. The Respondent's signed Application contains two acknowledgments /affirmations by the Respondent that the Respondent had completed a CHRC.

6. By e-mail dated September 19, 2019, Board staff informed the Respondent that the Board had not received the CHRC.<sup>1</sup> Board staff further informed the Respondent that the Respondent had ten business days to submit the CHRC.

7. The Respondent did not reply to the e-mail.

8. By telephone on January 30, 2020, the Board contacted the Respondent regarding his failure to submit the CHRC and provided instructions on how to properly complete the CHRC. The Respondent indicated that he would begin the process immediately.

---

<sup>1</sup> Board staff used the e-mail address provided by the Respondent on the Application as the "Official Email Address . . . the board will use for official correspondence."

9. On or about April 15, 2020, Board staff contacted the Respondent and advised him that the Board had yet to receive his CHRC. The Respondent indicated that he would begin the process immediately.

10. On or about May 12, 2020, Board staff contacted the Respondent and advised him that the Board had yet to receive his CHRC. The Respondent indicated that he would complete it by the end of the following week.

11. On or about June 17, 2020, Board staff contacted the Respondent and advised him that the Board had yet to receive his CHRC. The Respondent was further advised that if the CHRC was not received by June 30, 2020, the matter would proceed to the Board for issuance of public charges.

12. The Respondent did not reply to the June 17, 2020 contact and did not provide documentation to the Board that the Respondent obtained a CHRC before Panel B voted to issue charges.

13. To date, the Board has not received the completed CHRC report pursuant to Health Occ. § 14-308.1

### **CONCLUSIONS OF LAW**

Based on the foregoing Findings of Fact, Disciplinary Panel B of the Board concludes as a matter of law that the Respondent failed to submit to a criminal history records check under § 14-308.1 of the Health Occupations Article, in violation of Health Occ. § 14-5E-16(a)(28). Panel B dismisses the charges under Health Occ. § 14-5E-16 (a)(1), (3), (10), and (27).
