Re: Surrender of License to Practice Medicine
Mickey O. Mills, M.D.
License Number: D61073
Case Number: 7718-0095

Dear Dr. Freas and Members of the Disciplinary Panel B:

Please be advised that, pursuant to Md. Code Ann., Health Occ. ("Health Occ.") §4-403 (2014 Repl. Vol. & 2019 Supp.), I have decided to **SURRENDER** my license to practice medicine in the State of Maryland, License Number D61073, effective immediately. I understand that upon surrender of my license, I may not give medical advice or treatment to any individual, with or without compensation, and cannot prescribe medications or otherwise engage in the practice of medicine in the State of Maryland as it is defined in the Maryland Medical Practice Act (the "Act"), Health Occ. §§ 14-101 *et seq.* and other applicable laws. In other words, as of the effective date of this Letter of Surrender, I understand that the surrender of my license means that I am in the same position as an unlicensed individual in the State of Maryland.

I understand that this Letter of Surrender is a **PUBLIC DOCUMENT**, and upon Disciplinary Panel B's ("Panel B") acceptance, becomes a **FINAL ORDER** of Panel B of the Maryland State Board of Physicians (the "Board").

I entered a Consent Order on April 6, 2018 with Disciplinary Panel B of the Board that concluded that I violated Health Occ. § 14-404(a)(3)(ii) (unprofessional conduct in the practice of medicine), (4) (Professionally, physically, or mentally incompetent in the practice of medicine), (8) (Addicted to, or habitually abuses, any narcotic or controlled dangerous substance as defined in § 5-101 of the Criminal Law Article), and (9)(ii) (Provides professional services while using any narcotic or controlled dangerous substance, as defined in § 5-101 of the Criminal Law Article, or other drug that is in excess of therapeutic amounts or without valid medical indication).

The Consent Order required me to enroll in the Maryland Professional Rehabilitation Program (MPRP) and comply with all terms and conditions of MPRP. I acknowledge that the Board is currently investigating allegations of violations of the

Letter of Surrender

MPRP terms and conditions and violation of the Consent Order. A copy of the Consent Order is attached and incorporated herein as Attachment 1.

I have decided to surrender my license to practice medicine in the State of Maryland to avoid further investigation and prosecution of these allegations and because I no longer wish to comply with the terms of the Consent Order. I acknowledge that the Consent Order remains and will continue to be a valid Final Order of the Board, however, upon acceptance of the Letter of Surrender, I will not be required to comply with the conditions of the Order as long as I do not have or possess a medical license in Maryland.

I wish to make it clear that I have voluntarily, knowingly and freely chosen to submit this Letter of Surrender to avoid the issuance of charges and prosecution for failing to comply with the terms and conditions of the Consent Order. I do not wish to contest these allegations. I understand that by executing this Letter of Surrender I am waiving my right to contest any charges that would issue from Panel B's investigative findings in a formal evidentiary hearing at which I would have had the right to counsel, to confront witnesses, to give testimony, to call witnesses on my own behalf and all other substantive and procedural protections provided by law, including the right to appeal to circuit court.

I understand that the Board will advise the Federation of State Medical Boards and the National Practitioner Data Bank of this Letter of Surrender. I also understand that in the event I would apply for licensure in any form in any other state or jurisdiction that this Letter of Surrender may be released or published by the Board to the same extent as a final order that would result from disciplinary action, pursuant to Md. Code Ann., Gen. Prov. §§ 4-101 *et seq.* (2014), and that this Letter of Surrender constitutes a disciplinary action by Panel B.

I affirm that I will provide access to and copies of patient medical records to my patients in compliance with Title 4, subtitle 3 of the Health General Article. I also agree to surrender my Controlled Dangerous Substances Registration to the Office of Controlled Substances Administration.

I further recognize and agree that by submitting this Letter of Surrender, my license will remain surrendered unless and until the Board or a disciplinary panel of the Board grants reinstatement. In the event that I apply for reinstatement of my Maryland License, I understand that Panel B or its successor is not required to grant reinstatement; and, if it does grant reinstatement, may impose terms and conditions in conformity with or in addition to those set forth in the Consent Order. I further understand that if I ever file a petition for reinstatement, I will approach Panel B or its successor in the same position as an individual whose license has been revoked.

I acknowledge that I may not rescind this Letter of Surrender in part or in its entirety for any reason whatsoever. Finally, I wish to make clear that I have been advised

of my right to be represented by an attorney of my choice throughout proceedings before Panel B, including the right to consult with an attorney prior to signing this Letter of Surrender. I have consulted with and was represented by an attorney prior to signing this letter surrendering my license to practice medicine in Maryland. I understand both the nature of Panel B's actions and this Letter of Surrender fully. I acknowledge that I understand and comprehend the language, meaning and terms and effect of this Letter of Surrender. I make this decision knowingly and voluntarily.

Very truly yours, _____

CONSENT ORDER

PROCEDURAL BACKGROUND

On or about December 15, 2017, Disciplinary Panel B ("Panel B") of the Maryland State Board of Physicians (the "Board") **CHARGED** Mickey O. Mills, M.D., (the "Respondent"), license number D61073, under the Maryland Medical Practice Act (the "Act"), Md. Code Ann., Health Occ. II ("Health Occ.") §§ 14-401 *et seq.* (2014 Repl. Vol.)

The pertinent provisions of the Act under Health Occ. 14-404(a) provided as follows:

§ 14-404. Denials, reprimands, probations, suspensions, and revocations -- Grounds

(a) In general. -- Subject to the hearing provisions of § 14-405 of this subtitle, a disciplinary panel, on the affirmative vote of a majority of the quorum of the disciplinary panel, may reprimand any licensee, place any licensee on probation, or suspend or revoke a license if the licensee:

- ...
- (3) Is guilty of:
 - ...
 - (ii) Unprofessional conduct in the practice of medicine;
- (4) Is professionally, physically, or mentally incompetent;
- ...
- (8) Is addicted to, or habitually abuses, any narcotic or controlled dangerous substance as defined in § 5-101 of the Criminal Law Article;

- (9) Provides professional services:
- (ii) While using any narcotic or controlled dangerous substance, as defined in § 5-101 of the Criminal Law Article, or other drug that is in excess of therapeutic amounts or without valid medical indication[.]

On or about December 15, 2017, Disciplinary Panel B ("Panel B") of the Maryland State Board of Physicians (the "Board") **SUMMARILY SUSPENDED** the license of the Respondent to practice medicine in the State of Maryland. Disciplinary Panel B took such action pursuant to its authority under Md. Code Ann., State Gov't II ("State Gov't") § 10-226(c)(2) (2014 Repl. Vol. & 2017 Supp.) and Md. Code Regs. 10.32.02.08B(7)(a) concluding that the public health, safety or welfare imperatively requires emergency action.

On or about March 28, 2018, a Disciplinary Committee for Case Resolution ("DCCR") was held at the Board's office, and the Respondent attended. Following the DCCR, the Respondent agreed to enter into the following Consent Order, consisting of Procedural Background, Findings of Fact, Conclusions of Law, Order, Consent, and Notary.

FINDINGS OF FACT

Panel B makes the following Findings of Fact:

1. At all times relevant hereto, the Respondent has been licensed to practice medicine in Maryland. The Respondent was initially licensed to practice medicine in Maryland on November 20, 2003. Her license is scheduled to expire on September 30, 2018.
2. The Respondent is board-certified in Family Medicine.

3. In or around August 2012, the Respondent began employment at an urgent care medical practice ("Practice A") in Crofton, Maryland.
4. On or about October 27, 2017, Practice A's Human Resources Manager submitted to the Board a Mandated 10-Day Report regarding the Respondent.
5. Specifically, the Report stated that on or about October 25, 2017, Practice A suspended the Respondent.
6. The Report stated that the Respondent had been observed behaving erratically and unprofessionally while seeing patients.¹ Specifically, the Respondent was observed to have fallen asleep during patient visits.
7. After these observations were brought to her attention, the Respondent entered into an in-patient program, to which she had been referred by the Maryland Physicians Health Program (MPHP). However, Practice A was then notified that the Respondent checked herself out before completing the program.
8. Based on the Report, the Board initiated an investigation.
9. In furtherance of the investigation, the Board's investigator contacted relevant witnesses and obtained documents, including records from Practice A, MPHP, and programs. The investigation revealed the following:
10. After being referred to an in-patient center ("Center A") by MPHP, the Respondent checked herself out prior to completing the program.

¹ To maintain confidentiality, specific instances of behavior may not be referenced in this Order. The Respondent is aware of the behavior referenced herein.

11. The Respondent was subsequently readmitted, but was then discharged for noncompliance with the center's rules and for possession of unapproved controlled dangerous substances (CDS).
12. The Respondent then entered into the in-patient program at a different in-patient center ("Center B"), which subsequently referred her to a more intensive program ("Center C").
13. The Respondent submitted a written response to the Complaint, in which she stated that in the days leading up to her suspension from Practice A, she had taken "some old prescribed [CDS] for several nights to try to sleep."
14. The Respondent's personnel file from Practice A also documents several related instances of unprofessional conduct and treatment errors consistent with impairment, including entering the wrong dosage on prescriptions and ordering tests but then forgetting that she had ordered them.
15. The file also contains documented admissions from the Respondent stating she is attempting to wean herself off opioids.
16. On or about November 21, 2017, the Board received an updated Mandated 10-Day Report from Practice A informing the Board that, effective November 15, 2017, the Respondent had resigned.

CONCLUSIONS OF LAW

Based on the foregoing facts, Panel B concludes as a matter of law that the Respondent's conduct, as described above, in whole or in part, constitutes a violation of the above-cited disciplinary grounds under Health Occ. § 14-404(a) (3)(ii), (4), (8) & (9)(ii).

ORDER

IT IS thus, by Panel B of the Board, hereby:

ORDERED that this Consent Order supersedes the Order for Summary Suspension, dated December 15, 2017, and the summary suspension is hereby terminated; and it is further

ORDERED that the Respondent's license to practice as a physician in Maryland is **SUSPENDED**, subject to the following terms and conditions:

1. The Respondent shall enroll in the Maryland Professional Rehabilitation Program ("MPRP"). Within 5 business days of the effective date of the Consent Order, the Respondent shall contact MPRP to schedule an initial consultation for enrollment. Within 15 business days, the Respondent shall enter into a Participant Rehabilitation Agreement and Participant Rehabilitation Plan with MPRP. The Respondent shall fully and timely cooperate and comply with all of MPRP's referrals, rules, and requirements, including but not limited to, the terms and conditions of the Participant Rehabilitation Agreement(s) and Participant Rehabilitation Plan(s) entered into with MPRP, and shall fully participate and comply with all therapy, treatment, evaluations, and toxicology screenings as directed by MPRP;
2. The Respondent shall sign and update the written release/consent forms requested or required by the Board and MPRP. The Respondent shall sign the release/consent forms to authorize MPRP to make verbal and written disclosures to the Board, including disclosure of any and all MPRP records and files possessed by MPRP. The Respondent shall also sign any written release/consent forms to authorize MPRP to exchange with (i.e., disclose to and receive from) outside entities (including all of the Respondent's current therapists and treatment providers) verbal and written information concerning the Respondent and to ensure that MPRP is authorized to receive the medical records of the Respondent, including, but not limited to, mental health and drug or alcohol treatment records; and
3. The Respondent shall be responsible for ensuring that any treatment provider(s) submit written reports to the MPRP and

to the Board at least once every three (3) months regarding her attendance, progress, payment of fees, and recommendations as to the continuation, frequency, and/or termination of treatment. The Respondent shall sign any consent forms required to authorize the Board and the MPRP to receive written reports from her treating mental health and health professionals or any treatment providers.

And it is further

ORDERED if MPRP finds that the Respondent is safe to return to practice as a physician and if the Respondent has complied with the conditions above, the Respondent may petition Panel B to terminate the suspension of the Respondent's license. If Panel B determines that it is safe for the Respondent to return to practice, the suspension shall be terminated, and Panel B may impose any conditions and terms it deems appropriate on the Respondent's return to practice as a physician, including, but not limited to, probation and continuing participation in MPRP; and it is further

ORDERED that the Respondent shall comply with the Maryland Medical Practice Act, Md. Code Ann., Health Occ. §§ 14-101 *et seq.*, and all laws and regulations governing the practice of medicine in Maryland; and it is further

ORDERED that if the Respondent allegedly fails to comply with any term or condition of this Consent Order, the Respondent shall be given notice and an opportunity for a hearing. If there is a genuine dispute as to a material fact, the hearing shall be before an Administrative Law Judge of the Office of Administrative Hearings. If there is no genuine dispute as to a material fact, the Respondent shall be given a show cause hearing before the Board or a disciplinary panel; and it is further

ORDERED that if, after the appropriate hearing, the Board or a disciplinary panel determines that the Respondent has failed to comply with any term or condition of this Consent Order, the Board or a disciplinary panel may reprimand the Respondent, place the Respondent on probation with appropriate terms and conditions, or suspend or revoke the Respondent's license to practice as a physician in Maryland. The Board or a disciplinary panel a disciplinary panel may, in addition to one or more of the sanctions set forth above, impose a civil monetary fine upon the Respondent; and it is further

ORDERED that the Respondent is responsible for all costs incurred in fulfilling the terms and conditions of this Consent Order; and it is further

ORDERED that, unless stated otherwise in the order, any time period prescribed in this order begins when the Consent Order goes into effect. The Consent Order goes into effect upon the signature of the Board's Executive Director, who signs on behalf of Panel B; and it is further

ORDERED that this Consent Order is a public document pursuant to Md. Code Ann., Gen. Prov. §§ 4-101 *et seq.* (2014 Vol. & 2017 Supp.).
