ORDER

On October 23, 2014, the Maryland State Board of Physicians and Kevin M. Meadowcroft, P.A. entered into a Consent Order in which a reprimand, probation with certain terms and conditions, and a chart and record review were imposed upon the Respondent.¹ Mr. Meadowcroft successfully complied with the probationary terms and conditions, and, in an order dated August 8, 2015, probation was terminated.² However, the remainder of the October 23, 2014, Consent Order remained in effect, including the reprimand and the chart and record review. In May 2016, the chart and record review was successfully completed. It is thus hereby

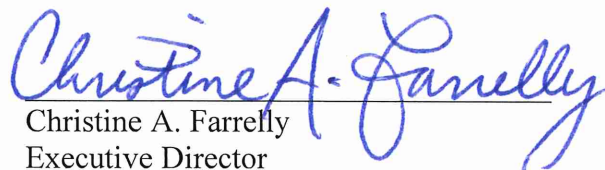

ORDERED that the all the terms and conditions imposed under the October 23, 2014, Consent Order and the August 8, 2015, Order Terminating Probation have been **SATISFIED**.

The reprimand, however, remains in effect; and it is further

ORDERED that this is a public document pursuant to the Public Information Act, §§ 4-101 – 4-601 of the General Provisions Article, Annotated Code of Maryland.
