**ORDER**

On August 24, 2020, Disciplinary Panel B (the "Panel") of the Maryland State Board of Physicians (the "Board") issued a Final Decision and Order that concluded, as a matter of law, that Eric S. Felber, D.O., had failed to meet the appropriate standards for the delivery of quality medical and/or surgical care and failed to keep adequate medical records as determined by appropriate peer review. The Final Decision and Order reprimanded Dr. Felber, placed him on probation for a minimum of one (1) year, required that he successfully complete a course in medical recordkeeping, and required that his practice be supervised by a disciplinary panel-approved physician peer supervisor who is board-certified in family medicine. Dr. Felber has completed the medical recordkeeping course and his practice was supervised by a peer supervisor who is board-certified in family medicine during the probation. It is thus hereby

**ORDERED** that the probation imposed by the August 24, 2020 Final Decision and Order is **TERMINATED**; and it is further

**ORDERED** that the reprimand remains in effect; and it is further

**ORDERED** that, based on the concerns identified by Dr. Felber's peer supervisor in their quarterly reports to the Board during the probation, the Board or its agents will conduct a peer review of Dr. Felber's practice one year after this Order; and it is further

**ORDERED** that this is a public document.
