******CRIMINAL HISTORY RECORDS CHECK (CHRC) REQUIREMENT******

To renew your license, you must submit your fingerprints to obtain a CHRC. You will not be allowed to complete the online renewal application without first acknowledging that you have submitted your fingerprints to the Maryland Criminal Justice Information System (CJIS). Failure to submit your fingerprints to CJIS may result in the Board taking disciplinary against your license. Click the link for more CHRC information

https://www.mbp.state.md.us/resource_information/res_pro/resource_practitioner_chrc.aspx

The name on your license must match the name on your CHRC fingerprint request. If there is a discrepancy, the Board cannot match your CHRC report to your license. If your name has legally changed and you have not notified the Board, download and submit a Name Change Application prior to submitting a CHRC. You may download the application using this link https://www.mbp.state.md.us/forms/ah_name_chg.pdf. Once processed, the Board will be able to match the CHRC to the licensure name.

Note: If you applied to the Board for an initial license or reinstatement of an expired license after October 1, 2016, the Board already has your CHRC results. You do not have to submit a second CHRC to renew your license.

The Board cannot use the results of a CHRC from another state, jurisdiction, agency, entity or employer. The results of your fingerprint results are not shared with other agencies. You must apply for a CHRC using the CJIS and FBI authorization numbers unique to the Board.

(Authorization numbers: CJIS: 1600000743; FBI ORI: MD920522Z)

The online renewal application is accessible 24 hours a day, 7 days a week on the Board's website, from **December 4, 2017 through January 31, 2018**. The online system will not be available after January 31, 2018.

Failure to renew by January 31, 2018, 11:59 p.m. (EST) will result in the termination of your license to practice in Maryland. Practitioners who fail to renew by the expiration date must submit an application for reinstatement of their license that will include applying for a new CHRC.
