

## Recruitment for Committee Vacancy

Dear Physicians:

The Maryland Board of Physicians (the Board) is looking to fill a vacant physician position on the Perfusion Advisory Committee (the PAC). Successful candidates must hold an active and unencumbered Maryland license.

The Committee consists of three licensed perfusionists, three licensed physicians, at least one of whom performs cardiac or cardio-thoracic surgery or is a cardiac or cardio-thoracic anesthesiologist, and one consumer member.

The PAC advises the Board on matters related to athletic training. The Committee's duties are described in [Health Occupations Article §14-5E-07\(a\)](#), Annotated Code of Maryland.

Meetings are virtual and held on the first Thursday of the month, beginning at 4:00 p.m., in April and October. However, there may be occasions when meetings will be held at the Board's office in the Metro Executive Building, 4201 Patterson Avenue, Baltimore. Attendance is essential.

PAC members serve staggered three-year terms. Members may be reappointed for a second term; however, an individual may not serve more than two consecutive three-year terms.

Note: A candidate appointed to the PAC may not serve concurrently on the Advisory Committee and as an elected officer of their professional association. ([Health Occupations Article §1-222\(b\)](#), Annotated Code of Maryland.)

If you are interested in serving on the Perfusion Advisory Committee, please submit your curriculum vitae to Margaret Ellis Jury, Allied Health Analyst, at [margaret.jury@maryland.gov](mailto:margaret.jury@maryland.gov) by close of business on May 3, 2024.

Candidates must also complete and submit a Biographical Information Form, an Appointee Exemption Disclosure Form, and a Candidate Questionnaire.
