

2025 PHYSICIAN LICENSE RENEWAL INFORMATION

For questions, call 410-764-4705 or 1-800-492-6836 ext. 4705, Monday through Friday from 8:00 am to 5:00 pm.

The biennial license renewal period starts on July 15, 2025, for physicians whose last name begins with the letters M – Z and whose license expires on September 30, 2025.

To maintain an active license to practice medicine, physicians must complete the online license renewal application and pay the renewal fee of **\$512.00** to the Board by 11:59 pm (EST) on September 30, 2025. The online application will not be available after September 30, 2025.

Failure to renew your license by 11:59 pm (EST) on September 30, 2025, will cause it to expire. Once your license expires, you must apply to reinstate it, including applying for a [new criminal history records check](#) to resume practicing medicine in Maryland. *No action is required from you if you do not plan to renew your license.*

Physicians who fail to renew their medical licenses are not authorized to practice medicine. *Any person practicing medicine without a license is subject to a civil fine of not more than \$50,000 to be levied by the Board (Md. Code Ann., Health Occ. §§ [14-601](#), [606](#)).*

To log in to the renewal application, you will need:

- Your Maryland license number;
- Your date of birth and the last 4 digits of your social security number;
- A Visa, MasterCard, or Discover credit card;
- Your CDS and DEA registration numbers, *if applicable*;
- NPI number, *if applicable*;
- Worker's compensation coverage information, *if applicable*;
- To complete the [New Physician Orientation \(NPO\)](#) program, if this is your *first* license renewal after initial licensure. You must complete the NPO *before* you apply for renewal.

You cannot access the online application if:

- Your license has expired. If your license has expired and you intend to practice medicine in Maryland, you must apply for reinstatement. Click [here](#) to obtain a reinstatement application.
- You have an unresolved tax liability issue with the Maryland Comptroller's Office. Please contact the Maryland Comptroller's Office at 410-974-2432 or 1-888-674-0016. The Board cannot assist you with unresolved tax obligations. After the Board receives official notification from the Comptroller's Office that you have resolved the issue, you may log in to renew your license.

Implicit Bias Training:

- If you are renewing your license for the *first* time in 2025 after initial licensure or reinstatement, you must attest in the application for license renewal that you have completed the training. Click [here](#) for more information.

Continuing medical education (CME) and audit:

- [Code of Maryland Regulation 10.32.01.10](#) requires physicians applying for license renewal to attest to earning at least 50 Category I or II CME credits during the 2-years preceding the license's expiration date, with at least 25 of those CME credits being Category 1. Please review the regulations for a full description of activities accepted by the Board for CME credit.
- The CME requirement is satisfied if this is your *first* license renewal after initial medical licensure.

Note: The Board may select you for a CME audit. If you receive a CME pop-up notice during login, you must send your CME documentation to the Board no later than October 15, 2025. Do not send CME documentation to the Board unless you are selected for audit. You can send your CME documentation by mail, email, or fax to:

Name change:

- You cannot submit a name change in the online application. If you wish to change the name on your license, you must file a name change application *separate* from the license renewal application. Click [here](#) to download a name change application.

License printing:

- Immediately after submission of the application and payment, you can download and print a digital copy of your renewed license, payment receipt, and a copy of the application. If you can't print immediately, you can return later to the Board's website, select Physician-Print My Renewed License/Receipt, or log in to the practitioner profile portal to download and print your license.
